PROGRAM DATES AND DEADLINES

- ◆ **December 18:** Research proposal approval deadline for January Prospectus Development course
- ◆ **January 12:** Deadline for incoming students to submit proof of completion of prerequisites
- ◆ **January 15:** Tuition deadline for spring 2021 semester
- ◆ **January 19:** Spring semester begins

New Prospectus Approval Deadline

After observing the time period between prospectuses being reviewed by ReDOC and subsequently receiving guidance committee approval, ReDOC established a new deadline designed to address the gap.

A student must have a prospectus approved by the guidance committee no later than the beginning of the fourth active semester following ReDOC review.

After the allotted time, a student must submit a report to the guidance committee and ReDOC detailing reasons for the delay. Upon the recommendation of the guidance committee, students may be required to retake Prospectus Development.

The prospectus also must be approved by the end of the sixth year in the program.

ReDOC Schedule for 2020-2021

The following are the ReDOC meetings for 2020–2021 and the IRB request deadlines:

- January 20** (no prospectuses)
- February 10** (1/11 IRB)
- March 10** (2/10 IRB; summer directed studies)
- March 29** (Doctoral Admissions)
- April 7** (3/8 IRB)
- May 12** (4/12 IRB; fall directed studies)
- June 2** (5/3 IRB)

An IRB request and a pdf of a prospectus for research using human subjects must be **submitted to the guidance committee chair**, who must forward them to redocsec@nobts.edu, indicating permission to proceed, no later than one month prior to the meeting at which the prospectus will be considered.

See the Program Materials page for the form and details. A prospectus to be considered by ReDOC must be reviewed by your guidance committee and **7 copies** (double-sided printing is allowed) submitted through your chairperson to

the Office of Research Doctoral Programs no later than one week before the scheduled ReDOC meeting. Prospectuses for research involving human subjects must be received one month before the meeting.

Likewise, matters such as directed study proposals and requests to take courses at other institutions must be submitted one week before the ReDOC meeting at which they will be considered. Also e-mail a **pdf** of the prospectus or directed study proposal to phd@nobts.edu. Indicate the appropriate professors on the directed study approval page.

If your research involves human subjects, you must go through the Institutional Review Board approval process.

Your guidance committee cannot approve your prospectus until (1) the IRB assesses the risk to and protection of the participants; (2) you submit your revised prospectus, consent form, and IRB request; and (3) the IRB

approves your treatment of human subjects as reflected in these documents. You cannot contact study participants before approval of both the IRB and your guidance committee. IRB approval is valid for two years.

The maximum length for the prospectus is 30 pages of text plus the selected bibliography. Documents with text longer than 30 pages will not be accepted.

Problems or concerns? Contact the ReDOC Office **first**. We are here to help! (No question too small.)

phd@nobts.edu or redocsec@nobts.edu

IF YOU HAVE MOVED OR CHANGED YOUR E-MAIL ADDRESS OR PHONE NUMBER, PLEASE NOTIFY THE REDOC OFFICE AND UPDATE YOUR INFORMATION IN CAMPUSNEXUS.

NOTE: If you think your guidance committee approved your prospectus but you have not seen it in the *ReDOC News*, contact the ReDOC office. **You cannot contact human subjects before approval.**
