Successfully completing an Internet course

1. Understand that Internet courses are not “easier” than classroom courses. Disabuse yourself of any notion to the contrary. In a typical semester, 20% of my Internet students do not complete the course whereas 95+% of classroom students do.

2. You must be able to envision specific blocks of time in which you can complete your work, something like regular class times in a traditional course.

3. If you plan to do the work in your spare time, don’t take the course because no one has any spare time.

Important note regarding Incomplete Work: Please know that students may not receive an Incomplete for any Internet course—i.e., all work must be completed during the academic duration of the Internet course. (Page 170, Graduate Catalog 2013-2014.)

“At a time when 90% of Southern Baptist churches are plateaued or declining, NOBTS is a school focusing on training God-called men and women to grow healthy churches.”
—Dr. Chuck Kelley—

NOBTS Mission  To equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Core Value  Our seminary has five core values: Doctrinal Integrity, Spiritual Vitality, Mission Focus, Characteristic Excellence, and Servant Leadership. This course addresses Doctrinal Integrity as the Bible is believed to be the Word of God, inspired and inerrant. The specific core value celebrated this academic year is Mission Focus.

Course Description  Readings from all the different genres of the Hebrew OT will provide the basis for solidifying and expanding students’ grammatical knowledge and for introducing them to all the basic components required for advanced work in the Hebrew text. Foundational elements of the study will be limited grammar review, and introductions to the standard critical edition of the Hebrew Bible, textual criticism, translation theory and method, and syntactical analysis. Guided practice in reading, textual criticism, grammatical and syntactical analysis, and translation will prepare students to achieve maximum benefit from subsequent advanced Hebrew exegesis courses.
