COURSE REQUIREMENTS

Pre-Seminar Assignments

1. Textbook Readings and Book Critiques:

Texts: (1) *Liberating Ministry from the Success Syndrome*, (2) *Leading from the Second Chair*, and (3) *Pastors at Greater Risk*

(Please read these three books from the standpoint of your ministry position since each of them will speak to any minister).

Read the texts and write a 5 page (double-spaced) review of each book. Students may use first person for these reviews. Begin each review with a complete bibliographic entry (as per Turabian, 6th edition) and answer these questions:

- What is the major emphasis of the book?
- What things impacted you from the book and why?
- What areas in your life were affirmed or need changing after reading the book.

The reviews are to be submitted during the first session of the workshop. Be prepared to discuss the reviews during the workshop.

2. Textbook Exercise:

Read the text *Building Blocks for Longer Life and Ministry* and answer the questions on the wellness inventory. After answering the questions, write a summary of your findings and a list of proposed personal actions to bring total wellness to your life. There is no minimum page requirement, and the answers to questions are not required to be submitted in this summary.

This summary is to be submitted during the first session of the workshop.

3. Ministry Insight Questionnaire:

Complete the Ministry Insight questionnaire and submit one copy of the report during the first workshop session.

The Ministry Insight questionnaire may be located at:

<http://www.ministryinsights.com/lifeway/>

Note: This item must be purchased online.

4. Post-Seminar Assignment (Reflection Paper)

Write a 5 page (double-spaced) personal reflection paper. The paper will be a synthesis of the readings, Insight Questionnaire and seminar discussion. The paper should reflect an assessment of personal ministry strengths, personality profile, as well as areas for growth and development in the ministry context of your calling. Share at least five action steps that you intend to implement to enhance and improve your effectiveness as a minister.

This paper is to be mailed or emailed to the professor, postmarked or date stamped by June 22, 2009

Please mail the post-workshop assignment to:
