Year-long Bible Reading Plan begins Sept. 1

This year NOBTS President Chuck Kelley has selected Spiritual Vitality for the seminary's Core Value Emphasis. As a part of the emphasis the seminary family will be giving a very high priority to reading through the Bible from September 1, 2009 through August 31, 2010. Daily Bible reading and weekly Scripture memorization plans have been developed to help guide participants through this journey.

Seminary students, professors, staff members, alumni and donors are encouraged to participate in this Bible reading and Scripture memory focus.
