NAME: _____

NOBTS-ID#: _____

CAMPUS ADDRESS: _____

Please check your anticipated housing plans (On-Campus Students Only):

I am graduating and plan to vacate seminary housing.

**Students must vacate their housing units within 2 weeks after completion of requirements for graduation. A written vacating notice must be submitted 14 days (dorm students) or 30 days (apartment residents) prior to the afore stated deadline.

I am graduating and pursuing another degree; therefore, I wish to continue residing in seminary housing.

**Should the resident be approved to work on another degree, or in the event of other unique circumstances requiring the extension of housing, the student must apply for an extension with the Dean of Students Office. Housing extensions will be considered case by case and with attention to anticipated housing needs and length of previous tenure. Priority for on-campus housing assignments is given to Associate, Bachelor, and Master's-level students in their first degree programs.
