Supervised Ministry I – New Orleans Baptist Theological Seminary

TO THE SUPERVISOR...

We are sorry that you were unable to attend the designated Supervised Ministry I class training session with your evangelism team. This session is important for ensuring that the evangelism team under your supervision has an effective personal evangelism ministry in your church this semester. Such training is an integral part of the disciple-making emphasis of this class. Consequently, we are asking any supervisor who was not able to attend this class session to review a PowerPoint presentation which covers the major details associated with the Supervised Ministry program. If you have any questions, please do not hesitate to contact the Supervised Ministry Office at 504.282.4455. Thank you, and may God bless your investment in these students toward the goal of making disciples of all nations.
