Course Description
The purpose of this course is to discover insights into the emerging challenges and opportunities
for evangelistic Christian ministry in a pluralistic society. Students will explore cross-cultural
methods and develop skills in communicating Jesus Christ with those who have been influenced
by postmodernism and other popular world views. Interviews, surveys, research, and role playing
will be significant components in the learning process.
Core Value Focus
The seminary’s core values are: (1) doctrinal integrity, (2) spiritual vitality, (3) mission focus, (4) characteristic excellence, and (5) servant leadership. This course addresses Doctrinal Integrity by using the Bible to address the challenge of postmodernism to Christianity. Spiritual vitality is important to the course because it is believed that spiritually vital persons are an important part of evangelistically reaching the postmodern world. The core value for NOBTS this academic year is mission focus.
