Course Requirements

We recommend that you take a moment and look at the course menu on the left side of your Blackboard (Bb) course. Click on all of the hyperlinks found there and become familiar with the contents of this course. For students new to Bb, look at the "How do I...?" section for instructional videos on how to navigate Bb. You may find more helpful videos at www.ondemand.blackboard.com. Bb has an entire section for students. Simply type in your topic in the search box and you will be taken to an instructional video.

Online learning of a language will require discipline and focus, if you are to be successful in this course. We recommend that you determine a set time for your studies each week and discipline yourself to work during that time. Since you are not in a structured class setting, it will be imperative that you maintain a regular schedule on your own. Your

instructor is always available to assist and guide you, but you are the person responsible for your success in this language course. The Mounce Teknia online materials will also be a great help to you in this course. Multiple Power Point slides are included for instructional purposes each week. Be sure to watch each of those educational slides each week.

- The student will complete the course material listed in the schedule
- The student will read each chapter in the grammar and listen to the author's on-line audio lecture for each chapter
- The student will view each of the Power Point slides that supplement the audio lessons and textbook readings. There is a practical exercise Power Point for many lessons designed to help you get into your Greek New Testament and apply the lessons for that particular week
- The student will complete the Workbook Exercises. The Workbooks will be mailed to the professor at the end of the course for grading (see below)
- The student will take weekly on-line quizzes
- The student will take eight on-line exams, the last of which will be the final
- The student will participate in weekly threaded discussions in a meaningful way. Various topics will be posted for interaction.

Evaluation

- Blackboard Discussions 20%
- Completion of Workbook exercises & *GNT* PowerPoint Exercises 20%
