DISC 5170 Spiritual Formation II  
New Orleans Baptist Theological Seminary  
Online Course

The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Core Value Focus and Curriculum Competencies

The seminary has five core values. This course supports all five core values.

- **Doctrinal Integrity**: Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. Our confessional commitments are outlined in the “Articles of Religious Belief” and the “Baptist Faith and Message 2000.”

- **Spiritual Vitality**: We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word.

- **Mission Focus**: We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

- **Characteristic Excellence**: What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

- **Servant Leadership**: We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

The seminary has seven curriculum competencies: Biblical Exposition, Christian Theological Heritage, Discipleship Making, Interpersonal Skills, Servant Leadership, Spiritual and Character Formation, and Worship Leadership. This course addresses all curriculum competencies.

**Course Requirements**

1. **Discussion board:** Complete all units and participate in all online discussions. Discussions will be based on the weekly reading outlined in the individual units. Discussion board posts will be graded on your thoughtfulness in engaging the textbooks and related topics. Your responses to your classmates’ posts will be graded
on your interaction with their statements or questions. Although length is not the primary emphasis of the posts or responses, you should write a sufficient amount to demonstrate adequate thoughtfulness.

2. **Introduction:** In Unit 1, each student is required to post an introduction via the Blog connected to Unit 1. Each student is also to comment on three classmates’ introductory blog post. **NOTE:** For students taking this online version as a follow-up to DISC 5170, students should provide a ministry update since completing DISC 5170 Spiritual Formation I.

3. **Textbooks/Discussion board leadership:** Read the assigned textbooks and additional class material while also facilitating one class discussion of an assigned chapter. Each student will be assigned a unit (chapter in the assigned textbook) in which he or she will lead and facilitate the discussion via the discussion board for that specific unit in the student’s assignment group (section). Assignments will be posted online during the first week of the course. Students should use the textbook(s) for selection of selection of discussion board questions, insights, and statements for the discussion board leadership. The discussion board leader is required to engage/lead the group on a timely, consistent basis over the course of one week.

4. **Journaling:** Keep an electronic journal of your spiritual journey throughout the course and complete the assignments given by the professor for the spiritual journal. The journal is to include your thoughts/reflections about your spiritual journey. The student is to journal via the Blackboard Journal four times weekly with a paragraph (3-5 sentences) minimum each entry. The journal can also include bible study or sermon notes. Model students will have approximately 45-50 journal entries spread out over a 12 week time period. The journal will not be read by the professor or other students but only briefly checked for completion. The completed journal is due at Unit 12.

5. **Scripture Memory:** Memorize and recite assigned Bible verses according to the specifications in the units. The student is to video himself or herself reciting from memory the assigned Bible verse. The student is then to upload and post the video to the appropriate Blog for that specific verse and unit. The Blogs are categorized according to verse. The verses and units in which they are due are outlined below.

6. **Mentoring Experience:** Students will select a mentee(s) from a church ministry context to encourage them in establishing basic spiritual disciplines that will lead them to consistent spiritual growth. Students will guide the mentee(s) through a study of spiritual growth skills (assigned textbook) outside the weekly online discussions. The mentee should be a “Timothy” that the student can invest in over the course of 7 weeks. Characteristics of a mentee(s) include: new or young believer, same gender, motivated, available, faithful, and teachable. The student will meet with their mentee(s) weekly beginning in Unit 4 and ending in Unit 11. The student will submit a signed statement in Unit 4 identifying their mentee(s) to the assigned discussion board forum.
7. **Reflection Paper**: Write a three-page reflection paper at the end of the semester. The reflection paper is a first-person synopsis of the personal spiritual formation during the course of the following: discussion board engagement, discussion board leadership, journaling, scripture memorization, and weekly mentee sessions.
