Course Requirements
1. Once each student has completed the registration procedures and had cleared the business office, he or she will be automatically enrolled in the Blackboard portion of the course during the week of Aug. 23-27 (Do not be surprised if it is toward the end of that week). The class will begin on Aug. 30. The first thing each student should do is go through “Unit 1: Getting Started”. This will explain course procedures. The work in this unit (not a big unit) is due on Aug. 31.

2. Students should proceed through the learning units in numerical order beginning with “Unit 1: Getting Started.” New units will be released weekly so students should not expect to work ahead too far. With the exception of the shorter Unit One, all units should be completed by Sat. of each week. For the first week of the class the first unit is due on Tues., Aug. 31 and the second unit is due on Sat. Sept. 4. All units must be completed along with required readings. At the end of each section of a unit students will indicate completion of that section of the unit by clicking on the “Reviewed” button. Orderly completion of the weekly Units along with attention to the specific assignments given in this syllabus will keep the student on track for successful completion of the course.

3. Reading, review, and completion of unit materials. Mark each item as reviewed when you have completed it. A quiz may be given on any materials in or assigned in the unit.

4. Outside Projects (Assignments not found in Blackboard Units but to be submitted on Blackboard as noted below):
   a. Reflection Paper. Write a 3-4 page reflection paper on how you sense God’s leadership to be involved in missions? Describe how you have examined the missionary call to determine whether or not God has or is calling you to service as a long-term missionary at this
point in time. Include how you will be available for possible short term missionary service in
your ministry if not called to long-term missionary service. Discuss further aspects of how you
will be involved in missions. Chapter twenty of the text, Missiology, provides helpful insights for
exploring a missionary call in one’s life and should be consulted for this reflection paper. The
paper should include appropriate references to Bible verses and passages and other sources as
needed. It may be written using first person. The reflection paper will be graded for clarity,
content, creative expression, and proper grammatical expression and form. This assignment is
due on Nov. 6.
Make sure that you have adequately addressed each of the requirements for a church to become
an Acts 1:8 Church. If your church is already an Acts 1:8 Church develop your plan for another
church. Your plan should be given to several key leaders of the church for actual consideration.
Your church does not have to act on the proposal. The plan is due on Oct. 16. Helps for the Acts
1:8 Plan can be found on the External Links site.
c. Volunteer service. Spend 4 hours in volunteer mission work. Report on the experience
in the Blackboard Discussion Board. Clear the volunteer experience with the professor before
you commit to the volunteer placement. The volunteer work must be completed Nov. 2 and the
discussion entered in Blackboard by Nov. 6.
d. Missionary Biography. After reading your missionary biography (from a list supplied
by the instructor) post a discussion of the missionary to this discussion board. Your discussion
should be three or four substantial paragraphs in which you discuss the missionary and the
ministry of that missionary. Evaluate the life and work of the missionary and point our major
contributions. After posting your discussion read and respond to at least 10 other posts. The post
on your missionary biography should be entered by Nov. 11 and your response to 10 other posts
should be completed by Nov. 14.
e. Research Project. Do one of the following projects:
A. Develop a people profile for an unreached people group (to be selected in
consultation with the professor). This will be in the form of a research paper.
B. Write a research paper on a topic approved by the professor.
By Sept. 25 each student will submit the topic of the project in the appropriate discussion forum.
By Oct. 16 each student will turn in a preliminary outline of his or her project with at least 6 of
the 14 sources that will be used. By Oct. 30 a detailed outline with at least 12 sources should be
submitted. The final project is due on Dec. 6 and should be submitted on the appropriate
discussion board so that all students will have access to papers. The paper should be at least 12-
14 pages in length (the text portion) and use at least 14 sources. All papers should be in Turabian
format. Use footnotes to show your sources. Extreme care should be taken to avoid plagiarism.
Students will also be responsible for reviewing other research papers as assigned at the end of the
semester by Dec. 11. Failure to review the assigned research papers of fellow students will
negatively impact your research paper grade.
Unless otherwise noted all assignments will be uploaded into the appropriate assignment section
through Blackboard. It is the student’s responsibility to keep a backup copy of ALL assignments.

NOTE: Assignments turned in late will receive an automatic 15 point deduction for the first
day, and a 10 point deduction for each additional weekday late.

ALL ASSIGNMENTS MUST BE COMPLETED IN ORDER TO PASS THE COURSE.
Netiquette Statement on Appropriate Online Behavior

Each student is expected to demonstrate appropriate Christian behavior when working online on the Discussion Board. The student is expected to interact with other students in a fashion that will promote learning and respect for the opinions of others in the course. A spirit of Christian charity will be expected at all times in the online environment.
