Mission Statement  
The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Core Value Focus  
The seminary has five core values.  
1. **Doctrinal Integrity**: Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. This course addresses Doctrinal Integrity specifically by preparing students to grow in understanding and interpreting the Bible.  
2. **Spiritual Vitality**: We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word. Spiritual Vitality is addressed by reminding students that a dynamic relationship with God is vital for effective ministry.  
3. **Mission Focus**: We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries. This course addresses Mission Focus by helping students understand the biblical foundations for fulfilling the Great Commission and the Great Commandments.  
4. **Characteristic Excellence**: What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ. Characteristic Excellence is addressed by preparing students to excel in their ability to interpret Scripture, which is foundational to effective ministry.  
5. **Servant Leadership**: We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us. Servant Leadership is modeled by classroom deportment.  
The core value focus for this academic year is **Characteristic Excellence**.

Curriculum Competencies  
NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following areas:  
1. **Biblical Exposition**: to interpret and communicate the Bible accurately.  
2. **Christian Theological Heritage**: To understand and interpret Christian theological heritage and Baptist polity for the church.  
3. **Disciple Making**: To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.  
4. **Interpersonal Skills**: To perform pastoral care effectively, with skills in communication and conflict management.  
5. **Servant Leadership**: To serve churches effectively through team ministry.
6. **Spiritual and Character Formation:** To provide moral leadership by modeling and mentoring Christian character and devotion.

7. **Worship Leadership:** To facilitate worship effectively.

**Course Description**
The purpose of this course is to expose students to a variety of topics in leadership specifically for the role of an associate pastor. LifeWay provides this gathering as a basic training course for ministry leaders. Students will attend the Pipeline conference with LifeWay October 12-13, 2016 in Nashville, TN. The student will engage with leaders of Christian education and pastors for information developing leaders in their ministry in any church setting.

**Student Learning Outcomes**
The student involved in this course should be able to accomplish the following:

1. Be able to demonstrate knowledge and understanding of current approaches, topics, and resources available for developing Christian education leadership in the local church.
2. Be able to gain skills in the area of observation and evaluation for the purpose of synthesizing characteristics of effective leadership as a minister.
3. Value personal development as a ministry leader and corporate investment in developing other ministry leaders in the church by striving for a vibrant relationship with Christ.

**Required Texts**

**Course Teaching Methodology**
This course will emphasize observation and listening comprehension skills during the conference sessions and require conversation and analysis skills for assignment completion and discussions.

**Assignments and Evaluation Criteria**

1. **Book Critiques (Cognitive) (2 textbooks) – 30 points (15 points each)**
   Write a 2 page single spaced critique for each textbook. The critique should begin with a summary of the leadership strategy or strategies presented in the text. Strengths and weakness should then be presented for the local church context for implementing that strategy. The critique should conclude with implications for leadership in the local church.
   - Tripp text due 10/12/16
   - Geiger and Peck due 11/1/16

2. **Research Paper: (40%) Due: November 14, 2016**
   The student will write a 6 - 8 page research paper for one leadership concept presented during the conference. The paper may be either argumentative or analytical, but must be biblically supported.
   a. **Argumentative:** The student will introduce the topic and inform the reader of exactly which position the student intends to take (thesis statement). Since the goal is to persuade the reader, the topic should be debatable and controversial. The student should support this thesis throughout the paper with a minimum of 5 primary sources (excluding course textbooks) with the intent to persuade the reader to a particular interpretation of the discipleship topic.
   b. **Analytical:** The student will ask a research question upon which he or she has taken no stance, but rather is seeking to offer a critical interpretation of primary and secondary sources for the purpose of informing the reader of a particular discipleship topic. The paper must be supported with a minimum of 5 sources (excluding course textbooks). The paper should be written in Turabian form using Times New Roman 12 pt font including page numbers and cover page. Conference Participation: (30%) Due: October 24, 2016
   The student is expected to participate fully in all the conference sessions Wednesday and Thursday. The student is expected to attend at least one debriefing meeting during a meal time or break time at the conference. The student will write a 5 page reflection and analysis of the conference sessions and content gleaned. Plans for implementing the content learned into their ministry setting should be addressed in the paper.
