The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

**Purpose of the Course**

The purpose of this course is to explore the nature of teaching, the Biblical model of instruction, curricular design, the learner's impact upon instruction, theories of practice, and methods of instruction. The expositional process will receive special attention given that it undergirds the teaching process.

**Core Value Focus**

*Doctrinal Integrity* – Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. The doctrinal statements used in our evaluations are our Articles of Religious Belief and the Baptist Faith and Message Statement.

*Spiritual Vitality* – We are a worshiping community, with both personal spirituality and gathering together as a Seminary for the praise and adoration of God and instruction in His Word.

*Mission Focus* – We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

*Characteristic Excellence* – What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

*Servant Leadership* – We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.
Annually, the President will designate a core value that will become the focus of pedagogy for the year. For 2014-2015 academic year that Core Value is *Spiritual Vitality*.

**Curriculum Competencies Addressed**

**Required Readings**

The following texts and resources are required reading for class discussions and are to be read in their entirety unless otherwise specified.

**Required Texts**

**Optional Texts**

**Course Teaching Methodology**

**Units of Study**

The topics of study that will be covered in the course are as follows: Biblical models of instruction, Scripture exegesis, lesson plan development, examination of educational theories, teaching-learning process, learning objectives, teaching methods, and lesson plan evaluation.

**Teaching Method**

This course will emphasize a format of teaching and learning including small groups, case studies, lecture, PowerPoint presentations, videos, and analysis of interaction with the goal of providing balanced instruction to engage the mind, the will, and the emotion of the student.
Delivery Format
The course will be delivered in the weekly semester-long format with 16 class sessions. Since this course is in the hybrid format the weekly sessions will be conducted online as well as supplemented with 4 in class sessions as scheduled by NOBTS during the semester.

Assignments and Evaluation Criteria
The student is expected to complete the course assignments in the three learning domains: cognitive, affective, and psychomotor.

Cognitive Domain of Learning
1. *Exegetical Paper:* (20%)  
   Due: **Unit 4 (2/20/15)**
   Students will write a *5-page historical-context or exegetical paper* on a passage of Scripture that they will develop into a lesson plan later in the semester. The paper should include information on the book of the Bible – its author, dating, purpose, major themes, etc. (*no more than a page of the paper content*) and specific explanation and implications of the selected passage. Students should consult *at least 5 scholarly sources* outside of the required textbooks to support the content of the paper. Students should use *section headings* in their papers and a set of sample headings appear below:
   - *Bible Book Information:* Author, Dating, Purpose, Major Themes, etc.
   - *Text Observations:* What does the text say?, Who is the communicator? Who is the audience? What are the setting, context, and structure of the text?
   - *Text Interpretation:* What was the intended meaning of the text to the original audience?
   - *Biblical Principle:* What is the timeless truth from the text?
   - *Life Application:* How does the text apply to a believer in Christ?, How does the text apply for a non-believer in Christ?
   - *Life Transformation:* Based on the biblical principle, what must a believer do or change? How should/could a non-believer respond to the biblical principle?

2. *Textbook Reading:* (10%)  
   Due: **Unit 13 (5/8/15)**
   Students will read the required texts by following the weekly reading schedule. Completion of reading before each class session is intended to improve understanding of course content and enhance discussion participation. The professors reserve the right to monitor reading through a variety of means, such as class assignments, discussion questions, reading percentage, etc. Students will be asked to indicate their reading percentage of the required text the class session before the last class session. **Textbook Reading Assessment will be conducted via Blackboard (online).**

Affective Domain of Learning
3. *Student Needs Assessment:* (10%)  
   Due: **Unit 5 (3/6/15)**
   Students will conduct a Student Needs Assessment for a specific age group that either they teach or is in their church by using the “Student Needs Assessment Instrument” in Table 9 of *Creative Bible Teaching* to complete the assignment. Note: *Students may complete the Student Needs Assessment on the same age group of teaching observation to...*
enhance student’s observation skills and student’s ability to provide rationale for observation paper.

4. Bible Teaching Observation: (20%) Due: Unit 7 (3/20/15)
   Each student will observe a Bible teaching session in a church, in-person not via technology, of a Sunday school, small groups, discipleship class, etc. During the observation time, students should pay attention to the teacher – his/her teaching methods, lesson structure, exegesis of Scripture, interaction with those present, application of Scripture, and the “take-away” from the lesson (implication for the participants) and the students – their participation, engagement in learning, interaction with teacher, evidence of knowledge learned and expression of “buy-in” to implement lesson content, etc. Students will submit a 5-page written report of the observation, including the following sections:
   a) The setting and target audience of the teaching session (setting – rural, urban, inner city, etc. and demographics of group – # of students, age range, gender, etc.)
   b) A description and diagram of the physical setting in which the teaching was held
   c) A description of the curriculum or materials used by the teacher (evidence of planning, preparation, and lesson plan development).
   d) Identification of the primary Scripture text taught during the session and the text principle taught.
   e) After the observation, student should verify the exegesis is accurate and the principle is present in text. Did your research of the text align with the teacher observed?
   f) Teaching methods used by the teacher.
   g) A summary about students present (# of students, identity engagement in lesson, interaction with teacher, evidence of learning, expression of “buy-in” to principle implementation, etc.)
   h) Things you observed that were excellent and contributed to the teaching-learning process. Provide explanation of why you endorse (at least 1 page of content).
   i) Things you would do differently if teaching this same group and this same passage. Provide rationale for the changes you would make (at least 1 page of content).

Psychomotor Domain of Learning

5. Teaching Idea and Lesson Aims: (5%) Due: Unit 8 (4/10/15)
   Students will submit a one-page paper with one teaching idea and three lesson aims (cognitive, affective, and psychomotor/behavioral) for the selected passage of Scripture researched in the exegetical paper. Students should use the format of the lesson aims provided in Creative Bible Teaching (p.143).

6. Teaching Plan and Rationale Paper: (30%) Due: Unit 14 (5/1/15)
   With the selected Scriptural text of the exegetical paper, students will write a detailed lesson plan to teach in a particular ministry setting. Lesson plans should be written such that a person would be able to teach a lesson using only the plan with no need to consult additional resources. For the purposes of this course, the lesson plan should be constructed according to the HBLT teaching model presented in Creative Bible Teaching. In addition to the detailed lesson plan, the student will be required to write a rationale for each area of the lesson plan. These following are the minimum requirements for the lesson plan and rationale:
   • The lesson plan should be written according to Table 14 in Creative Bible
Teaching with a specific age group in mind (preschool, young children, older children, young students, older students, young adults, median adults, or senior adults).

- The rationale should be a minimum of 8 pages double spaced, 12pt font, one-inch margins, with Turabian cover sheet, page numbers, and section headings.
- The usage of at least 8 sources other than the required textbooks to support rationale paper content.

This assignment is an embedded assignment that will be completed by all students for all sections of this course. The rubric for grading this assignment is attached to this syllabus. Please complete the assignment according to this rubric.

7. Class Participation: 5%
Each student is expected to participate fully in class sessions through discussions and activities. This portion of the course grade will be evaluated by the professor with regard to attendance, meaningful participation, activity completion, and evidence of discussion engagement.

Course Policies
The following policies will serve to govern both the student and professor for the duration of this course.

Assignment Format
All assignments are to be typed, double-spaced with 12-point font (Times New Roman preferred) and 1-inch margins unless otherwise indicated. Assignment pages should be stapled together with a Turabian format cover page that includes name, date of submission and assignment title. A Turabian style guide is available in the NOBTS library and located on the NOBTS web site at http://www.nobts.edu/resources/pdf/Extensions.Old/turabiantutor7thjan08.pdf.

Absences
Class attendance is essential for effective learning. Class periods missed because of late enrollment will be counted as absences. Arriving late to class or leaving class early will count as ½ of an absence. According to the NOBTS Catalog, the maximum number of absences without failure for a 4 classroom hybrid course is one class session of 4 hours. A grade of “F” will be assigned to students who fail to attend class the minimum number of hours.

Classroom and On-line Decorum
Classroom participation is required for every class session. A positive attitude can only enhance the learning experience. Therefore, for the purposes of this class, a positive attitude and participation are defined as productive and interactive engagement with classroom presentations and classroom dialogues throughout a full class session. You cannot participate effectively if you are not focused on the subject matter while in the classroom. Consequently, the student is expected:

- To come to class with a constructive point of view, prepared to interact with the readings and resources on the course topic in discussion groups and classroom dialogues.
- To dress appropriately and in accordance with the NOBTS Student Handbook (i.e., no ball caps or flip-flops).
To turn off cell phones and not to accept any phone calls during class.

To use laptops, iPads and other electronic devices appropriately to enhance class participation and abstain from social media (i.e., Facebook, messaging, etc.) and ministry responsibilities (e-mails, web site updates, etc.) during class sessions.

**Netiquette:** Appropriate Online Behavior. Each student is expected to demonstrate appropriate Christian behavior when working online on Discussion Boards or whenever interaction occurs through web, digital, or other electronic media. The student is expected to interact with other students in a fashion that will promote learning and respect for the opinions of others in the course. A spirit of Christian charity is expected at all times in the online environment.

**Academic Honesty Policy**
All graduate and undergraduate NOBTS students, whether on-campus, internet, or extension center students, are expected to adhere to the highest Christian standard of honesty and integrity when completing academic assignments for all courses in every delivery system format. The Bible provides our standard for academic integrity and honesty. This standard applies whether a student is taking tests, quizzes, exams, writing papers, completing Discussion Boards, or any other course requirement.
