Mission Statement

The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Core Value Focus

The seminary has five core values: Doctrinal Integrity, Spiritual Vitality, Mission Focus, Characteristic Excellence, and Servant Leadership. The core value focus for this academic year is Doctrinal Integrity. “Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. Our confessional commitments are outlined in the Articles of Religious Belief and the Baptist Faith & Message 2000” (2018-19 Online Graduate Catalog, p. 5). The purpose of this course is to carry out the mission of NOBTS as is reflected through the core values in the following areas:

Spiritual Vitality - Evangelism is a part of the spiritual vitality for the individual Christian and for the church body as a whole.

Mission Focus - Carrying out of the Great Commission is consistent with the value of mission focus.

Characteristic Excellence and Servant Leadership - Each evangelistic effort needs to be carried out with excellence and in a manner consistent with the servant leadership model of Jesus.

Doctrinal Integrity – The evangelistic ministry of the local church must be grounded on solid biblical doctrine.

Curriculum Competencies

All graduates of NOBTS are expected to have at least a minimum level of competency in each of the following areas: Biblical Exposition, Christian Theological Heritage, Disciple Making, Interpersonal Skills, Servant Leadership, Spiritual and Character Formation, and Worship Leadership. The curriculum competencies addressed in this course are:

Disciple Making - The course will focus on the disciple making competency, particularly the pre-conversion and early conversion period of disciple making.

Servant Leadership - All evangelistic efforts are to be carried out within the framework of servant leadership.

Worship Leadership - Worship leadership will be addressed as to how to diminish distractions to effective evangelism in the context of worship services.

Spiritual and Character Formation - The course will address the spiritual and character formation of the students and of those whom they serve.

Biblical Exposition - The methods used to carry out the evangelistic calling of the church need to be consistent with biblical teachings and will involve biblical exposition.

Course Description

The purpose of this class is to explore the ministry of evangelism through a local church and its ministries. In addition to a summary of various approaches to evangelism in local churches, the biblical, theological and historical aspects of evangelism will be highlighted as well in order to provide a holistic view.

Student Learning Outcomes

In order to stimulate evangelistic church growth and health, the students, by the end of the course, should:

1. Be able to apply their knowledge and comprehension of the following concepts to the process of stimulating evangelistic church growth through mobilizing the church for evangelism:
 - The biblical mandate for church evangelism.
 - The biblical components of the Gospel, including various understandings of what it means to be “saved,” to “make a decision,” or “be drawn to Christ,” and how people may objectively know of and develop confidence in their salvation.
 - The ministry of evangelism; approaches to evangelism; and the biblical, theological, and historical aspects of evangelism.
2. Value the following concepts:
 - Sharing the Gospel with non-Christians.
 - A holistic view in evangelism.
3. Be able, with the help of various evangelistic tools, to share the Gospel with non-Christians and train other Christians in the use of the tools.
4. Be able to develop an informed, multi-faceted evangelistic strategy for a local church.

Course Teaching Methodology

The course will feature a variety of teaching/learning methods including: lecture, multi-media presentation, dialogue, required reading, guest experts, examination, small and large group discussions, testimonies, reports, and independent study.

Course Requirements

1. Each student will complete an **interview** with a person the student believes is not a Christian or has been out of church for at least 10 years. After the interview the student is to write a thoughtful reflection of the experience. The student may want to include selected significant quotes, a summary paragraph on each interview, what you learned about the person, what you discovered about yourself or what you need to learn. Please turn in the raw data/responses to the questions.

Interview Guide

The student should ask for the time from the person in order to interview him/her for a class assignment with the objective being to simply learn how people see religious things. The purpose is not to convert the person or even share the gospel message. The purpose is to learn what people are thinking about religious matters. The interview must be conducted in person (not over the telephone or online).

Sample request: *“I am doing a research project and need your help. My assignment is to learn how people see religious things. Will you take a few minutes to help me?”*

Let the person know that his/her name will not be included in any manner. You can interview people you know, business people, people in malls or other public places. Please do not interview family members for this assignment.

Take the approach of a student researching, not a minister evangelizing. Please do not try to convince the person or debate with him/her; simply record his/her answers on a notepad. If he/she asks your opinion, gracefully decline (because you do not want to influence his/her answer). *After* the interview, if the person asks you to tell him/her your beliefs, listen to the Holy Spirit and either set another time to get together for that purpose or go ahead and share. THE POINT, if he/she feels you are conning him/her into a witnessing opportunity, you will not get his/her true feelings and thoughts.

The following represents questions the student should ask...

1. To you, what is God like? Describe God.
If they don't believe in God, ask ...
What do you value most in life?
2. How would you describe your religious background and church involvement if any?
3. What message do you think the church is trying to communicate?
4. What do you think it takes to be made right with God?
5. Describe what the name Jesus Christ means to you.
6. Why do you think people do not go to church?

The assignment will be due **February 22**. The student should be prepared to discuss his or her findings with a class on the due date.

2. **Two personal evangelism reports** of witnessing to a non-believer conducted during the course of the semester. The students are to use the guide prepared by the professor. The two reports are **April 22**.

3. **Two exams**: Midterm Exam will be on **March 22**. Final Exam will be on **May 17**.

4. Each student will read the **two required textbooks**. The student will be asked to read assigned chapters according to the provided schedule. Reading progress will be evaluated via quizzes, discussion groups, and personal reflections. **The students will be assigned a chapter or chapters to facilitate a discussion on a Blackboard discussion board, which will consist of sharing a few insights and asking a few questions for discussion by those in course. These assignments will be made during the second week of class. In addition to leading one online discussion each student will also be expected to participate in the online discussion each week.**

5. Each student will develop **a comprehensive evangelism strategy** for a local church chosen by the student. The student will provide a description of the church's community using demographic information, Chamber of Commerce information, or other pertinent information. The student will develop a historical understanding of the church. The student will study the church's evangelistic obstacles, strengths/weaknesses and programs. The student will delineate an evangelistic strategy for the church for a period of at least twelve months. A typed,

eight-page (minimum) double spaced paper will be prepared by the student. In addition, the student will provide a twelve month calendar with events that execute the evangelistic strategy developed by the student. More details will be given about the assignment in class. The assignment will be graded according to the attached grading rubric. The assignment is due **April 26.**

Evaluation of Grade

The student's grade will be computed as follows:

1. Personal Evangelism Reports (10%)
2. Midterm Exam (20%)
3. Final Exam (20%)
4. Interview with the Lost/Unchurched (10%)
5. Leading Online Discussion and Participating in Weekly Discussion (10%)
6. Reading Progress for Two Required Textbooks (10%)
