The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

**Purpose of Course**

The purpose of this course is to introduce students to basic neuroanatomy and neurophysiology, along with effects of various classes of substances on the brain. In addition, students will learn major etiological models of chemical dependency and corresponding treatment options. Students are encouraged to incorporate the broadest level of integration of physiological, psychological, and theological insights into the problem of chemical dependency. The chemically dependent family system is studied and family intervention programs are examined in light of Systems Theory.

**Our Core Values**

The seminary has five core values.

*Doctrinal Integrity:* Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. Our confessional commitments are outlined in the “Articles of Religious Belief” and the “Baptist Faith and Message 2000.”

*Spiritual Vitality:* We are a worshipping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word.
**Mission Focus**: We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

**Characteristic Excellence**: What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

**Servant Leadership**: We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

The Core Value Focus for this academic year is *Mission Focus*.

**Curriculum Competencies Addressed**

NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following seven areas:

**Biblical Exposition**: To interpret and communicate the Bible accurately.

**Christian Theological Heritage**: To understand and interpret Christian theological heritage and Baptist polity for the church.

**Disciple Making**: To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.

**Interpersonal Skills**: To perform pastoral care effectively, with skills in communication and conflict management.

**Servant Leadership**: To serve churches effectively through team ministry.

**Spiritual and Character Formation**: To provide moral leadership by modeling and mentoring Christian character and devotion.

**Worship Leadership**: To facilitate worship effectively.

The curriculum competencies addressed in this course are: *Biblical Exposition, Interpersonal Skills, Servant Leadership* and *Spiritual and Character Formation*.

Textbooks

Course Requirements

Exams tend to be objective with some discussion.

Drug Education Resource

Students will work in small groups to create and present a poster/visual resource for educating high school and college age students concerning the physical-psychological-emotional effects of their assigned drug.

This resource will be introduced to the entire class during a 10-15 minute presentation near the end of the semester.

In addition to the presentation, each group or individual will prepare an outline as an additional aid for study.

In order to receive full credit, students must make their presentations interesting and/or interactive. In other words, everyone has a text...so provide information that supplements the text. Additional sources should be cited in APA format.

Drugs that can be the subject of presentations:

- Alcohol
- Marijuana
- Cocaine
- Crack Cocaine
- Heroin
- Household Inhalants
- MDMA (Ecstasy)
- Acid (LSD)
- Prescription Pain Meds.
- Methamphetamine
- Steroids (Anabolic)
- Rohypnol
- Others subject to approval

Community Interview

Class participants must complete a community interview with individuals whose work is impacted by substance abuse or chemical dependency. (You must turn in a business card of the person whom you are interviewing with your report). This is an independent project. Papers are to be 5-8 pages.

Possible Interview Subjects:
- Police Officer
- EMT
- Emergency Room Doctor/Nurse

Reflection Papers

You must write two (2) papers on movies seen or documentary literature on substance abuse and addictions. These papers provide you with an opportunity to discuss what impact the activity/movie etc. had on you, what you learned what you liked or
disliked. DO NOT merely summarize the information. Papers must be 1-2 pages.

**Addiction Paper**

This is a marvelous learning opportunity and highly recommended. Students are requested to identify an activity or substance that is used on a regular basis, preferably something that helps you cope with life. You are to establish a predetermined date to discontinue use and then refrain from this activity or substance for two weeks. During this period of time you will journal your experiences and then prepare a written report of your adventure. Papers will vary in length but should be approximately 2-5 pages. Your paper should reflect your reading of the AA Big Book. If you feel that you cannot respond with integrity to this assignment, an alternative will be provided.

**12-Step Meetings**

Students are required to attend two (2) 12-Step meetings of one’s choosing. 12 Step meetings: (Adult Children of Alcoholics, AL-ANON, Cocaine Anonymous, Over-Eaters Anonymous, Gamblers Anonymous, Alcoholics Anonymous, Sex Anonymous, etc.). Attend only “open” meetings and do not “share” unless asked directly to do so. A typed reaction paper listing dates, lessons learned and reaction to meetings is due toward the end of the semester. Your reaction paper should reflect your reading of the AA Big Book. Find a local meeting at [http://www.aaneworleans.org/meeting-locator/](http://www.aaneworleans.org/meeting-locator/)

**Group Discussions**

Each student will be assigned to a discussion group (6-10 students). Discussion groups will meet three (3) separate times during the semester. Discussions will be based on your readings in the AA Big Book. Students will be rated for participation by other group members.

Web-based Course Reminder/Warning
Web-based courses are, by nature, a different kind of learning experience than courses taught in the traditional classroom. Because of this structure, this web-based course is more reading and writing intensive than traditional classroom courses. Rigorous study of the deep things of God can be a rewarding experience for anyone who participates in it, but it also calls for extra diligence and integrity in completing the work. This reality does not mean that a web-based course cannot be successful in equipping you, the student, for effective, God-honoring ministry. It simply means utilizing a different strategy. Internet courses allow room for independent learners to thrive—to work at a responsible pace, to
engage in student-led discussions, and to take ownership of the learning of course content. Note that your instructors are praying for your success.

Policy for Graduating Seniors
Graduating Seniors are responsible for alerting the professor of your intention to graduate. All of your assignments must be completed by noon (12:00 PM) on the Wednesday prior to commencement exercises.

Emergencies

In cases of emergency, such as hurricanes, disease outbreaks, or other disasters, go to the seminary website (www.nobts.edu) for information. The seminary administration will post information, such as the nature of the emergency, instructions for response, and evacuation and return dates. Please check Blackboard for information specific to this course. Because Blackboard is available, the course will continue even if the main campus is closed. Please consider registering for the seminary’s priority text messaging service through SelfServe. This service is used only in emergencies, and will allow the seminary to deliver urgent information to you as needed.
