The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Purpose of Course

This class is intended to serve as an introduction to the theory, tools and techniques of psychological assessment for professional counseling students. Students are expected to respond to the lectures, discussions and assignments in this class as professionals in training for the administration, scoring, and interpretation of psychological assessment instruments in professional and clinical settings. Students are also expected to ask questions that facilitate professional development.

Our Core Values

The seminary has five core values.

*Doctrinal Integrity*: Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. Our confessional commitments are outlined in the “Articles of Religious Belief” and the “Baptist Faith and Message 2000.”

*Spiritual Vitality*: We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word.
**Mission Focus:** We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

**Characteristic Excellence:** What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

**Servant Leadership:** We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

The Core Value Focus for this academic year is *Mission Focus*.

**Curriculum Competencies Addressed**

NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following seven areas:

- **Biblical Exposition:** To interpret and communicate the Bible accurately.

- **Christian Theological Heritage:** To understand and interpret Christian theological heritage and Baptist polity for the church.

- **Disciple Making:** To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.

- **Interpersonal Skills:** To perform pastoral care effectively, with skills in communication and conflict management.

- **Servant Leadership:** To serve churches effectively through team ministry.

- **Spiritual and Character Formation:** To provide moral leadership by modeling and mentoring Christian character and devotion.

- **Worship Leadership:** To facilitate worship effectively.

The curriculum competencies addressed in this course are: *Biblical Exposition, Interpersonal Skills, Servant Leadership* and *Spiritual and Character Formation.*

Course Requirements

Description of Assignments:

1. Exams tend to be multiple choice, with some short answer. I do reserve the right to add discussion questions to the exam. Exams will be available on Blackboard from 8:00 AM to 8:00 PM on the day scheduled.

2. Resource Presentation: Each student will be required to discover and present to the class a resource (journal article, book, book chapter, web site, etc.) that relates to the use of assessment tools or techniques in the professional/clinical setting. These presentations should take 10-15 minutes and will be scheduled during class time each Wednesday.

3. Personal Assessment Paper: During the course of the semester, each student will take and personally score a number of published psychological assessment instruments. The materials for this exercise will be purchased with the $35 fee mentioned above. The scores from these instruments will be the basis of a personal assessment paper. The paper will be at least seven (7) pages in length (text), include a description and explanation of each instrument utilized, a section containing objective interpretation of the results of each instrument, and personal reflection about the meaning and usefulness of these results for you in your process of professional development as a therapist. Resources will be required at a ratio of two (2) for every test taken and scored. Consult APA manual for format guidelines. Due Wednesday, April 20th, by midnight CST.

4. I consider class participation vital to the success of this class, and will grade you accordingly. I expect you to come to class with materials read, assignments prepared, and ready for discussion.

5. Quizzes will be necessary only if the class appears to not be prepared for daily assignments. If no quizzes need to be administered, you will receive full credit.
