The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church.

## The Purpose of the Course

The purpose of this course is to prepare students to teach in theological higher education and implement a variety of contemporary instructional strategies and forms of assessment in order to facilitate a greater depth of learning among learners.

#### **Core Values**

Doctrinal Integrity – Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. The doctrinal statements used in our evaluations are our Articles of Religious Belief and the Baptist Faith and Message Statement.

*Spiritual Vitality* – We are a worshiping community, with both personal spirituality and gathering together as a Seminary for the praise and adoration of God and instruction in His Word.

*Mission Focus* – We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

Characteristic Excellence – What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

Servant Leadership – We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

Annually, the President will designate a core value that will become the focus of pedagogy for the year. For 2016-2017 academic year the Core Value is *Characteristic Excellence*.

#### **Assignment Rubrics (20%)**

Design a grading rubric in Advanced Pedagogy Practice Shell (in which you will have instructor role) for each assignment in the course syllabus you created in RDOC 9302 or one provided by the professor. You will post each assignment *and the grading rubric* in Advanced Pedagogy Practice Shell: Assignment Upload. Title each assignment as follows: your last name - assignment title (e.g. Peavey - Reflection). The grading rubric for this assignment is located in Advanced Pedagogy: Assignment Upload. *This assignment is related to student learning outcome #3*.

Unit Test (10%) Due: Thur., May 12

Create an online unit test in Advanced Pedagogy Practice Shell specific to the Learning Unit you developed. The test must include multiple choice, true/false, matching, and short answer and essay questions. You will post the test Advanced Pedagogy Practice Shell: Assignment Upload with the title as follows: your last name.test (e.g. Peavey.test). The grading rubric for this assignment is located in Advanced Pedagogy: Assignment Upload. *This assignment is related to student learning outcome #3*.

#### **Class Participation (15%)**

You are expected to participate actively in class discussions, presentations, and learning labs in the ITC. Your participation is important not only for your own learning but also for that of others. What you learn in this course will be influenced by the degree of everyone's engagement in and contributions to class activities and discussions. Preparing the readings and coming to class with questions, insights, and issues is crucial to making the course work. A learning community like this one relies on the contributions and participation of all its members. If you attend class but do not participate on a regular basis, you will not receive the full 15%. The grading rubric for this assignment is located in Advanced Pedagogy: Assignment Upload. *This assignment is related to student learning outcomes 1-3*.

## **Course Policies**

Classroom Decorum: Your participation is required for every seminar session. You are expected to:

- Come to the seminar with a constructive point of view, prepared to interact with the readings and resources related to the course topic.
- Dress appropriately and in accordance with the NOBTS Student Handbook.
- Turn off cell phones and not accept any calls and/or text messages during class.
- Use laptops appropriately during class.

**Absences:** Absences from a doctoral seminar are not permitted.

Academic Honesty Policy: All graduate and undergraduate NOBTS students, whether oncampus, internet, or extension center students, are expected to adhere to the highest Christian standard of honesty and integrity when completing academic assignments for all courses in every delivery system format. The Bible provides our standard for academic integrity and honesty. This standard applies whether a student is taking tests, quizzes, exams, writing papers, completing Discussion Boards, or any other course requirement.

**Netiquette: Appropriate Online Behavior:** Each student is expected to demonstrate appropriate Christian behavior when working online. The student is expected to interact with other students in a fashion that will promote learning and respect for the opinions of others in the course. A spirit of Christian charity is expected at all times in the online environment.

**Plagiarism:** A high standard of personal integrity is expected of all students. Copying another person's work, submitting downloaded material without proper references, submitting material without properly citing the source, submitting the same material for credit in more than one course, and other such forms of dishonesty are strictly forbidden. *Although anything cited in three sources is considered public domain, we require that all sources be cited.* Any infraction will result in failing the course. Any infraction will be reported to the Dean of Students for further action.

**Revision of the Syllabus:** The course syllabus is not a legal contract. Any syllabus revision will be preceded by a reasonable notice to students. The standards and requirements set forth in this syllabus may be modified at any time by the professor. Notice of such changes will be by announcement in class or by email notice.

**Grading Scale:** Your final grade will be based on your total accumulation of points as indicated under the *Assignments and Evaluation Criteria* section of this syllabus according to the grading scale in the NOBTS 2013-2014 catalog.

A 93-100 B 85-92 C 77-84 D 70-76 F 69 and below

**Assignment Submission:** All assignments are to be submitted to Blackboard by 11:59 p.m. of the due date unless otherwise indicated. Do not send files as attachments via email to the professor. For technical reasons, this mode of file transmission is extremely inefficient.

**Assignment Formatting:** Unless otherwise noted, all assignments are to be created in Turabian format. All written assignments must be Word documents, written in third person unless otherwise instructed, and created in 12 pt. Times New Roman font. PDFs will not be accepted.

**Late Assignments:** Only under extreme circumstances, and with prior approval, will a late assignment be accepted. Late assignments will be assessed an initial 10-percent penalty and 1 percent for each day after the due date. No assignments will be accepted more than two weeks after the original due date. Missed presentations may not be made up.

**Electronic Devices:** Electronic devices may be used in class only for taking notes and other activities assigned by the professor. Other activities are strictly prohibited. Laptops may not be open during presentations unless requested by the presenter. Phones must be silenced during class time. Any student found violating this policy may be asked to leave class and will be counted absent.

**Recording Policy:** Recordings of class, including any audio and/or video recordings, regardless of the media or format, and regardless of the intended or actual use, are not permitted without prior written permission of the professor. The class will be notified in advance should any such recording be approved. This policy is intended to protect the privacy of the students.

**Withdrawal from the Seminar:** The administration has set deadlines for withdrawal. These dates and times are published in the academic calendar. Administration procedures must be followed. You are responsible to handle withdrawal requirements. A professor can't issue a withdrawal. You must do the proper paperwork to ensure that you will not receive a final grade of "F" in the course if you choose not to attend once you are enrolled.

## **Additional Information**

**Blackboard and SelfServe:** You are responsible for maintaining current information regarding contact information on Blackboard and SelfServe. The professor will utilize both to communicate with the class. Blackboard and SelfServe do not share information so you must update each. Assignment grades will be posted to Blackboard.

You will be enrolled in two Blackboard shells for this course – Advanced Pedagogy in which you will be enrolled as a student and Advanced Pedagogy Practice Shell, in which you will be enrolled as an instructor. *You will post assignments to both shells*. Pay careful attention to the instructions related to each assignment.

**Technical Support:** If you experience any problems with your Blackboard account you may email <u>BlackboardHelpDesk@nobts.edu</u> or call the ITC at 504-282-4455, ext. 8180.

**Correspondence with the Professor**: Every effort is made to respond to emails and phone calls within 24-48 hours, excluding weekends. Please feel free to contact the professor(s) with any question you may have regarding this course.

**Special Needs:** If you need an accommodation for any type of disability, please set up a time to meet with the professor(s) to discuss any modifications you need that may be provided.

**NOBTS Emergency Text Messaging Service:** Once you have established a SelfServe account you may sign up for the NOBTS emergency text messaging service by going to <a href="http://nobts.edu/NOBTSEmergencyTextMessage.html">http://nobts.edu/NOBTSEmergencyTextMessage.html</a>.
