

# MTS 온라인 신학연구 석사 과정 (Master of Theological Studies)

## Vocational Calling

To provide a basic understanding of a broad range of theological disciplines at the graduate level for lay ministers, bi-vocational ministers, those who can only pursue graduate theological training in an online format, and others interested in broad-based theological studies. The degree may be used to prepare the student for further graduate theological studies. However, the MTS is normally not deemed sufficient for admission to DMin or PhD programs without additional graduate work. Those called to engage in full-time pastoral ministry, and those interested in future enrollment in the DMin or PhD degrees are encouraged to seek the MDiv degree.
