Evangelism Handbook – Alvin Reid

Mobilizing a Great Commission Church for Harvest – Edited by Thomas Johnston

Course Requirements

1. Each student will complete an interview with a person the student believes is not a Christian or has been out of church for at least 10 years. After the interview the student is to write a thoughtful reflection of the experience. The student may want to include selected significant quotes, a summary paragraph on each interview, what you learned about the person, what you discovered about yourself or what you need to learn. Please turn in the raw data/responses to the questions.

Interview Guide

The student should ask for the time from the person in order to interview him/her for a class assignment with the objective being to simply learn how people see religious things. The purpose is not to convert the person or even share the gospel message. The purpose is to learn what people are thinking about religious matters. The interview must be conducted in person (not over the telephone or online).

Sample request: *“I am doing a research project and need your help. My assignment is to learn how people see religious things. Will you take a few minutes to help me?”*

Let them know that their name will not be included in any manner. You can interview people you know, business people, people in malls or other public places. Please do not interview family members for this assignment.

Take the approach of a student researching, not a minister evangelizing. Please do not try to convince them or debate with them; simply record their answers on a notepad. If they ask your opinion, gracefully decline (because you do not want to influence their answer). *After* the interview, if the person asks you to tell him/her your beliefs, listen to the Holy Spirit and either set another time to get together for that purpose or go ahead and share. **THE POINT**, if they feel you are conning them into a witnessing opportunity, you will not get their true feelings and thoughts.

The following represents questions the student should ask...

1. To you, what is God like? Describe God.
If they don't believe in God, ask ...
What do you value most in life?
2. How would you describe your religious background and church involvement if any?
3. What message do you think the church is trying to communicate?
4. What do you think it takes to be made right with God?
5. Describe what the name Jesus Christ means to you.
6. Why do you think people do not go to church?

The assignment will be due **September 14**. The student should be prepared to discuss his or her findings with a class on the due date.

2. Two personal evangelism reports (page 6) of witnessing to a non-believer conducted during the course of the semester. The students are to use the guide prepared by the professor. The two reports are **due October 26**.

3. **Two exams:** Midterm Exam will be on **October 19.** Final Exam will be on **December 14.**

4. Each student will read **two required books.** The student will be asked to read assigned chapters according to the provided schedule. Reading progress will be evaluated via quizzes, discussion groups, and personal reflections. The student will work with a group to facilitate a presentation and discussion of the selected chapters of the books. **The assignments will be made during the second week of class.**

5. Each student will develop **a comprehensive evangelism strategy** for a local church chosen by the student. (1) The student will **provide** a description of the church's community using demographic information, Chamber of Commerce information, or other pertinent information. (2) The student will **develop** a historical understanding of the church. (3) The student will **study and describe** the church's evangelistic obstacles, strengths/weaknesses and programs. (4) The student will **outline** an evangelistic strategy for the church for a period of at least twelve months. (5) The student will **prepare** a typed, eight-page (minimum) double spaced paper of the evangelism strategy. (6) **In addition,** the student will **include** a twelve month calendar with events that execute the evangelistic strategy. More details will be given about the assignment in class.

***This assignment is an embedded assignment that will be completed by all students. The rubric for grading this assignment is attached to this syllabus on page 15. Please complete the assignment according to the syllabus and this rubric.**

The assignment is **due November 30.**
