The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church.

Purpose of the Course
The purpose of this course is to develop Christian leaders who model and mentor others in Christ-like character.

Core Value Focus

Doctrinal Integrity — Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. The doctrinal statements used in our evaluations are our Articles of Religious Belief and the Baptist Faith and Message Statement.

Spiritual Vitality — We are a worshipping community, with both personal spirituality and gathering together as a Seminary for the praise and adoration of God and instruction in His Word.

Mission Focus — We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

Characteristic Excellence — What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

Servant Leadership — We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us. Annually, the President will designate a core value that will become the focus of pedagogy for the year. For the 2013-2014 academic year that Core Value is Doctrinal Integrity.

Course Policies

1. For our group to function well and achieve the course objectives, we must respect one another. This means each member should give the following and expect the following from other students:
   - **Respect.** Whether we agree or disagree, we will respect one another.
   - **Confidentiality.** Unless permission is explicitly given, what is shared in class will stay in class.
   - **Freedom/Openness.** Each member must be open to sharing their feelings once they are comfortable with the group.

2. Preparation is minimal but key. Each student should **read the assigned material** and **journal** their thoughts throughout the week and bring their journal to class so that they can have a shareable record of what they felt and thought during that time as they walked with Christ.

3. The course is offered on a **pass/fail** basis. Apart from completing the reflection paper
and journaling, each student will be graded according to how they prepared for class and how they conducted themselves according to the expectations listed above.
