The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Purpose of the Course
The purpose of this course is to challenge the student to explore various teaching and learning principles, develop teaching plans, and conduct teaching presentations and evaluation. The student will be provided opportunities to develop and enhance skills in accurately interpreting and clearly communicating the Bible in conformity with foundational principles of teaching and learning through educational ministry in the local church.

Core Value Focus

Doctrinal Integrity – Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. The doctrinal statements used in our evaluations are our Articles of Religious Belief and the Baptist Faith and Message Statement.

Spiritual Vitality – We are a worshiping community, with both personal spirituality and gathering together as a Seminary for the praise and adoration of God and instruction in His Word.

Mission Focus – We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

Characteristic Excellence – What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

Servant Leadership – We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

Annually, the President will designate a core value that will become the focus of pedagogy for the year. For 2016 -2017 academic year that Core Value is Characteristic Excellence.

Course Teaching Methodology

Units of Study
The topics of study that will be covered in the course are as follows: the teaching-learning experience, learning domains, learning objectives, teaching methods, Bible teaching, and teaching evaluation and improvement.

Teaching Method
This course will emphasize active learning, project-based learning, and interactive discussion with the goal of providing balanced instruction to engage the mind, the will and the emotion of the students. You will be responsible for producing teaching presentations and providing constructive feedback of teaching methods and lesson delivery of classmates.

Delivery Format
The course will be delivered in classroom.

Assignments and Evaluation Criteria
You are expected to complete the course assignments in the three learning domains: cognitive, affective, and psychomotor.

Cognitive Domain of Learning
1. Teaching Method Articles/Website: (3@3pts each, 9%) Due: Unit 3, February 20

   You should locate and read an article or an educational website for three of the following teaching methods: (a) small groups, (b) class discussion, (c) games, (d) lecture, and/or (e) a method of your choice. You will create a one-page handout for each of the three methods. The handout should include:
   ✓ When using this teaching method – what is the role of the teacher, the role of the student, and what subject matter or content is “most appropriate”?
   ✓ What are the benefits of the teaching method?
   ✓ What are the limitations, dangers, and/or problems of the teaching method?
   ✓ Explain how the teaching method is used in respect to each age level (preschool, children, youth, and adults) - how to use the method, when to use the method, appropriate setting, appropriate audience, etc.
You will upload teaching method handouts to Blackboard for the entire class to view and critique via Blackboard Discussion Board.

2. Textbook Reading: (11%) Due: Unit 7, March 20 & Unit 14, May 8
You will read the required texts by following the weekly reading schedule. Completion of reading each week is intended to improve understanding of course content and enhance online discussion participation. The professor reserves the right to monitor reading through a variety of means, such as written assignments, discussion questions, reading percentage, etc. You will be asked to indicate your reading percentage of the required text at least two times during the course. Textbook Reading Verification will be conducted via Blackboard.

**You are responsible for all assigned readings. All readings may not be covered in class.

Affective Domain of Learning

3. Bible Teaching Observation and Assessment: (15%) Due: Unit 6, March 6
You are to attend and evaluate a Bible teaching session using the Bible Teaching Assessment Tool. Use the tool to identify strengths and weaknesses of the presentation and report the findings. Address at least four of the criteria on the assessment tool. Be prepared to discuss your report during class.

4. Reflection paper. Due: Unit 9, April 3 & Unit 14 May 1
Write a 2 to 3-page reflection of each teaching session including areas of the teaching session strengths/weaknesses and possible improvements.

5. Blackboard Discussion Board & Class Discussion: (10%) Due: Specified Units
Students will be presented with questions pertaining to unit topics in which they will have to respond. The questions appear in the Course Schedule section of the syllabus. If the question corresponds to a class meeting date, students should prepare a one-page, double-spaced response to the question for class discussion. If the question corresponds to a non-class meeting date, students will respond via Blackboard Discussion Board.

*Blackboard Discussion Board Involvement & Class Meeting Discussion: Students are expected to reflect on the reading and presentations in each unit through Blackboard Discussion and Classroom Activities. In order to get credit for involvement in the Blackboard Discussion, the student must post at least one substantive response to the specific unit questions. A substantive response should be concise and may include, but not limited to the following: a reflection or personal example on a concept from readings, a different perspective on a topic, a quote or link from another source that relates to the topic, an experience the student has had in a ministry that relates to the topic. **Or students are expected to bring a copy of response to class meetings for discussion.

Psychomotor Domain of Learning

6. Teaching Presentations & Assessment: (2 @ 25 pts each = 50) Due: Specified Units
You will conduct TWO* Bible teaching sessions during the course. Two different age groups should be selected. The Bible teaching sessions will occur outside of the classroom environment and MUST BE RECORDED, from start to finish, including room set-up, organization of supplies, rehearsal of media technology, etc. A recording of the teaching presentation will be made available to the course instructor through
Blackboard for use in the classroom. Be sure to include a copy of the Lesson Plan used for the assignment. This exercise will have four levels of evaluation, participant, self, peer, and instructor.

a. **Participant Evaluation.** Provide copies of the Bible Teaching Assessment Tool to all participants in the Bible teaching session to complete after the teaching session has been conducted. A minimum of 5 participants is required.

b. **Self Evaluation.** Review each recording and complete a self-evaluation using the same Teaching Assessment Tool. Seek to be as objective as possible.

c. **Peer Evaluation.** The teaching presentation will be viewed and evaluated during a class meeting.

d. **Instructor Evaluation.** The course instructor will provide assessment and feedback on both of the lesson presentations.

You should now see your video thumbnail in the content area.

Write a 2 to 3-page reflection of each teaching session including areas of the teaching session strengths/weaknesses and possible improvements.

7. **Class Participation: (5%) Due: Each Class Session**

Each student is expected to participate fully in class sessions through discussions and activities. This portion of the course grade will be evaluated by the professor with regard to attendance, meaningful participation, activity completion, and evidence of discussion engagement. All students begin with 100 and the class participation grade will be reduced 5 points for each absence and/or when students fail to adhere to the NOBTS Student Handbook policies pertaining to appropriate dress, usage of cell phones, computers and all other electronic devices during class sessions and group activities.

**NOTE:** **PREREQUISITE FOR TAKING THIS COURSE: CEEF6310 Teaching the Bible**

Three assignments for the course CEEF6310 Teaching the Bible were (1) an exegetical paper, (2) a teaching idea & lesson aims, and (3) a teaching plan & rationale paper. You may utilize these assignments to complete the teaching presentation assignment.

A description of these three assignments appear below:

1. **Exegetical Paper**
You will write 5-page historical-context or exegetical paper on a passage of Scripture that you will develop into a lesson plan later in the semester. The paper should include information on the book of the Bible – its author, dating, purpose, major themes, etc. (no more than a page of the paper content) and specific explanation and implications of the selected passage. You should consult at least 5 scholarly sources outside of the required textbooks to support the content of the paper. You should use section headings in your papers and a set of sample headings appear below:

- **Bible Book Information**: Author, Dating, Purpose, Major Themes, etc.
- **Text Observations**: What does the text say? Who is the communicator? Who is the audience? What are the setting, context, and structure of the text?
- **Text Interpretation**: What was the intended meaning of the text to the original audience?
- **Biblical Principle**: What is the timeless biblical truth from the text?
- **Life Application**: How does the biblical truth of the text apply to a believer in Christ? How does the biblical truth of the text apply to a non-believer in Christ?
- **Life Transformation**: Based on the timeless biblical truth, what must a believer do or change? How should or could a non-believer respond to the biblical truth of the text?

2. **Teaching Idea and Lesson Aims**
   You will submit a one-page paper with one teaching idea and three lesson aims (cognitive, affective, and psychomotor/behavioral) for the selected passage of Scripture researched in the exegetical paper. You may use the format of the lesson aims provided in *Creative Bible Teaching* (p.143) or you may use The Transformational Bible Study format provided in *Teaching that Transforms* (p.161) by completing items #7 (main point of passage), #8 (list of principles/biblical truths), & #9 (action of obedience).

3. **Teaching Plan**
   With the selected Scriptural text of the exegetical paper, you will write a detailed lesson plan to teach in a particular ministry setting. Lesson plans should be written such that a person would be able to teach a lesson using only the plan with no need to consult additional resources. For the purposes of this course, the lesson plan should be constructed according to the HBLT teaching model presented in *Creative Bible Teaching* or the Star Model Adult Lesson Plan – Appendix E in *Teaching that Transforms*. In addition to the detailed lesson plan, you will be required to write a rationale for each area of the lesson plans. These following are the minimum requirements for the lesson plan and rationale:
   - The lesson plan should be written according to Table 14 in *Creative Bible Teaching* with a specific age group in mind (preschool, young children, older children, young students, older students, young adults, median adults, or senior adults).
   - The rationale should be a minimum of 8 pages double spaced, 12pt font, one-inch margins, with Turabian cover sheet, page numbers, and section headings.
   - The usage of at least 8 sources other than the required textbooks to support rationale paper content. Appropriate sources are scholarly journals, education texts, teaching/learning style books, curriculum design articles, etc.
Course Policies

The following policies will serve to govern both you and the professor for the duration of this course.

**Blackboard:** You are responsible to check Blackboard for grades, assignments, course documents and announcements. You are responsible for maintaining current information regarding e-mail address on the Blackboard system and Self-Serve. Blackboard will be used to communicate with students, collect assignments and grade coursework.

**Assignment Submission**
Assignments are due on the date indicated in the “Assignments and Evaluation Criteria” section of the syllabus. Assignments not submitted via Blackboard by the assigned date are considered late and will incur an initial 10-point penalty and accumulate a one-point penalty for each additional day. No assignments will be accepted more than two weeks after the original due date. *If all course assignments are not received by the final unit, a grade of zero is automatically earned for the missing assignments.* Assignments should *not* be e-mailed to the professor.

**Assignment Format**
All assignments are to be typed, double-spaced with 12-point font (Times New Roman preferred) and 1-inch margins unless otherwise indicated. Assignment pages should be stapled together with a Turabian format cover page that includes name, date of submission and assignment title. A Turabian style guide is available in the NOBTS library and located on the NOBTS web site at http://www.nobts.edu/resources/pdf/Extensions.Old/turabiantutor7thjan08.pdf.

**Netiquette:** Appropriate Online Behavior. Each student is expected to demonstrate appropriate Christian behavior when working online on Discussion Boards or whenever interaction occurs through web, digital, or other electronic medium. The student is expected to interact with other students in a fashion that will promote learning and respect for the opinions of others in the course. A spirit of Christian charity is expected at all times in the online environment.

**Academic Honesty Policy**
All graduate and undergraduate NOBTS students, whether on-campus, internet, or extension center students, are expected to adhere to the highest Christian standard of honesty and integrity when completing academic assignments for all courses in every delivery system format. The Bible provides our standard for academic integrity and honesty. This standard applies whether a student is taking tests, quizzes, exams, writing papers, completing Discussion Boards, or any other course requirement.

**Plagiarism:** A high standard of personal integrity is expected of all students. Copying another person’s work, submitting downloaded material without proper references, submitting material without properly citing the source, submitting the same material for credit in more than one course, and other such forms of dishonesty are strictly forbidden. *Although anything cited in three sources is considered public domain, we require that all sources be cited.* Any infraction will result in failing the course. Any infraction will be reported to the Dean of Students for further action.
Revision of the Syllabus: The course syllabus is not a legal contract. Any syllabus revision will be preceded by a reasonable notice to students. The standards and requirements set forth in this syllabus may be modified at any time by the professor. Notice of such changes will be by announcement in class or by email notification via Blackboard.

Withdrawal from the Course: The administration has set deadlines for withdrawal. These dates and times are published in the academic calendar. Administration procedures must be followed. The student is responsible to handle withdrawal requirements. A professor cannot issue a withdrawal. Students must do the proper paperwork to ensure that they will not receive a final grade of "F" in the course if they choose not to engage online once they are enrolled in the course.
