The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church.

Core Value Focus and Curriculum Competencies
The seminary has five core values: Doctrinal Integrity, Spiritual Vitality, Mission Focus, Characteristic Excellence, and Servant Leadership. This course supports the five core values emphasized by the seminary.

The core value for 2012-2013 is Servant Leadership.

Servant Leadership: We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

The seminary has seven curriculum competencies: Biblical Exposition, Christian Theological Heritage, Discipleship Making, Interpersonal Skills, Servant Leadership, Spiritual and Character Formation, and Worship Leadership. The key competencies addressed in this course are Disciple Making and Spiritual and Character Formation.

Course Description
This course is the second of two semester-long, pass-fail experiences in a faculty-mentored group. The group will meet an hour weekly for accountability, mentoring, discussion, and spiritual formation in the company of others. It will include specific assignments from a variety of Christian devotional practices. This course is designed to be taken the semester immediately following DISC5170.

Learning Objectives
In order to provide moral leadership by modeling and mentoring Christian character and devotion and in order to stimulate church health through mobilizing the church for discipleship, the student, by the end of the course, should:

   - The relationship between spiritual maturity and spiritual disciplines.
   - Christian devotional practices or disciplines.
2. Have a positive response to the following concepts:
   - A life-long intentional devotional discipline for lifelong spiritual growth and benefit to the kingdom of God.
   - A meaningful and maturing relationship with God.
   - Christian community in a small group setting.

   - Develop a plan for personal discipleship and assist others to develop a personal discipleship plan.
   - Practice appropriate disciplines of the Christian faith.
4. Have an appropriate perception as how to lead small discipleship groups.

**Student Learning Outcomes**
- The learner will grow in his/her biblical understanding of spiritual maturation; what is often referred to as discipleship.
