The mission of Leavell College of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Core Value
Each academic year, a core value is emphasized. This academic year, the core value is Mission Focus:
“We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local Church and its ministries.”

Course Description
This course is designed to aid students for whom English is a second language. The goal is to help students improve in listening comprehension of spoken English and in the accurate pronunciation of spoken English. These skills are particularly useful in a multilingual community where students use English in their Christian ministry, even though English is their second (or perhaps third) language.

To reach this academic goal, students will listen to practice exercises on CD, work with partners in one-on-one speaking/listening, and create short essays to describe what they have heard in specified listening exercises. Class exercises will be creative and varied in format, so that student effort will bring enjoyment as well as increased confidence in the use of English as a second language.

Student Learning Outcomes
• To improve in clear pronunciation of English vocabulary, particularly in use of words often found within the environment of Christian ministry.
• To learn some basic rules for “decoding” printed English so that the student can
pronounce the words correctly aloud.

- To learn some basic rules for “listening” to Spoken English, also for “decoding” purposes.

**Course Texts**

This book comes with a Student CD attached to the inside back cover. This CD will be more valuable if the student plays it in off-campus hours in preparation or review. (Note: Try looking for this book in Barnes & Noble or Borders book stores. You can also order it from www.amazon.com or other online booksellers.)

---

**Course Requirements and Grading**

Students will be evaluated on the basis of demonstrated improvement in comprehension and expression. The student who adequately demonstrates improvement will receive credit for the course with a passing grade. Attendance (10%), participation (10%), regular graded (pass/fail) exercises such as quizzes, listening and speaking assignments (30%), and a final exam (50%) will give the student the opportunity to demonstrate skills that have improved throughout the semester.

NOTE: All assignments are to be computer generated in MSWord or Wordperfect and submitted with a coversheet.

---

**Course Evaluation/Grading**

The professor will prescribe the student’s final grade based upon the student’s satisfactorily completion of the following:

- Weekly Textbook Readings 10%  (reading percentage of textbook)
- Education Ministry Project 30%  (part one: 10% & part two: 20%)
- Examinations 56%  (4 exams - 14% each)
- Classroom Decorum & Participation 4%
