Mission Statement

The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

NOBTS Core Values and Core Value Focus

Doctrinal Integrity – Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. The doctrinal statements used in our evaluations are our Articles of Religious Belief and the Baptist Faith and Message Statement.

Spiritual Vitality – We are a worshiping community, with both personal spirituality and gathering together as a Seminary for the praise and adoration of God and instruction in His Word.

Mission Focus – We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.
Characteristic Excellence – What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

Servant Leadership – We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

Annually, the President will designate a core value that will become the focus of pedagogy for the year. For 2015-2016 academic year that Core Value is Spiritual Vitality.

Course Description

The seminar delineates the sources, character, and dynamics of the spiritual formation of the Christian minister. Formation is viewed as a foundational ministry and as a reciprocal responsibility of pastor and congregation. It is vitally related to the quality of the congregation’s worship and service, and the integrity of the pastor’s prophetic awareness. Combining trenchant analyses of contemporary religion and culture with insights and analyses from Scripture and the classics of Christian devotion, the study sets forth the classical spiritual disciplines as essential ingredients of authentic formation. The seminar constitutes an urgent call for spiritual maturity in Christian ministry and provides clear directives for achieving it.

Student Learning Outcomes

Students successfully completing the seminar will demonstrate:

- foundational understanding of Christian spirituality and its major paradigms;
- awareness of the critical significance of spiritual formation for the minister;
- capacity to identify and critique elements of contemporary religious culture that distort and trivialize Christian spirituality and impede spiritual formation;
- intentional and regular practice of disciplines contributing to Christian maturity;
- ability to communicate the value and principles of spiritual formation in the local ministry context.

Textbooks

NOTE: Not all textbooks will be required by each participant in the class. Some books are assigned to specific Individuals or groups. Review the list of assignments before purchasing textbooks.

Each student is to read the following textbooks and to be prepared to integrate their content into seminar discussions and presentations:
**Required Texts:**

You will be assigned to read and report on one of the following:

Before the Seminar:

1. **Primary Textbook Review:** Prepare a written review of Issler *Living into the Life of Jesus* The review, 6-8 double-spaced typewritten pages, should be written in an acceptable style, reflect serious study and analysis, and include the following sections: 1) biographical sketch of author, 2) author’s purpose, 3) author’s thesis or major arguments, 4) summary of contents, 5) significant teachings or insights, 6) quotable passages, 7) strengths and weaknesses, 8) contributions to Christian spirituality, and 9) concluding evaluation. Parenthetical references are permitted for this assignment. **Due Date:** Students are to submit book reviews online in the discussion board and through the Assignment link on Blackboard no later than **Friday, March 27, 2015**, according to the instructions in the syllabus for availability to the other students in the seminar.
