

MASTER'S ALTERNATIVE-FORMAT COURSES

FALL 2021 SEMESTER

(For classroom courses, please see the Fall 2021 Master's Classroom-Available Course Schedule.)

NOLA2U Live Courses

The following courses on the New Orleans campus will be connected synchronously via Web conferencing with Internet students. These courses will require weekly attendance at the stated times, from a computer with these minimum specifications as described in this link:

http://www.nobts.edu/_resources/pdf/Online%20Learning%20Center/BlueJeansRequirements.pdf. These courses will give students the opportunity to interface electronically with the professor and other students from a regular classroom session on the main campus. Normal classroom attendance policies apply. Thus, a student may not miss more than the maximum allowed (9 hours of class time for a weekly course) or (1 class session for a monthly hybrid course) in a semester.

NOLA2U Flex Courses

The following courses are similar to the NOLA2U courses listed above (requiring the same computer specifications), but have this one distinction. The student may watch the course synchronously at the scheduled time of the course, or the student will have up to one week to watch the recorded version of the missed class. If the student does not watch the class recording before the next scheduled class time, the student will be counted absent. Normal classroom attendance policies apply. Thus, a student may not miss more than 9 hours of class time in a semester.
