

## MASTER'S ALTERNATIVE-FORMAT COURSES SUMMER 2022 TERM

(For classroom courses, please see the Summer 2022 Master's Classroom-Available Course Schedule.)

### NOLA2U Live Courses

The following workshop courses on the New Orleans campus will be connected synchronously via Web conferencing with Internet students. These courses will require attendance at the stated times, from a computer with these minimum specifications as described in this link: <http://www.nobts.edu/resources/pdf/Online%20Learning%20Center/BlueJeansRequirements.pdf>. These courses will give students the opportunity to interface electronically with the professor and other students from a regular workshop session on the main campus. Normal workshop attendance policies apply. Thus, a student may not miss any hours of class time from the workshop.
