NOLA2U Live Courses

The following courses on the New Orleans campus will be connected synchronously via Web conferencing with Internet students. These courses will require weekly attendance at the stated times, from a computer with these minimum specifications as described in this link: <http://www.nobts.edu/resources/pdf/Online%20Learning%20Center/BlueJeansRequirements.pdf>. These courses will give students the opportunity to interface electronically with the professor and other students from a regular classroom session on the main campus. Normal classroom attendance policies apply. Thus, a student may not miss more than the maximum allowed (9 hours of class time for a weekly course) or (1 class session for a monthly hybrid course) in a semester.
