## NOLA2U Live Courses

The following intensive courses on the New Orleans campus will be connected synchronously via NOLA2U Live with distance students. These courses will require attendance at the stated times, from a computer with these minimum specifications as described in this link: <http://www.nobts.edu/resources/pdf/Online%20Learning%20Center/BlueJeansRequirements.pdf>. These courses will give students the opportunity to interface electronically with the professor and other students from a regular intensive session on the main campus. Normal intensives attendance policies apply. Thus, a student may not miss any hours of class time from the intensive course.
