Mission Statement
The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Core Value Focus
The seminary has five core values.

1. **Doctrinal Integrity**: Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. This course addresses Doctrinal Integrity specifically by preparing students to grow in understanding and interpreting the Bible.

2. **Spiritual Vitality**: We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word. Spiritual Vitality is addressed by reminding students that a dynamic relationship with God is vital for effective ministry.

3. **Mission Focus**: We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries. This course addresses Mission Focus by helping students understand the biblical foundations for fulfilling the Great Commission and the Great Commandments.

4. **Characteristic Excellence**: What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ. Characteristic Excellence is addressed by preparing students to excel in their ability to interpret Scripture, which is foundational to effective ministry.

5. **Servant Leadership**: We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us. Servant Leadership is modeled by classroom deportment.

The core value focus for this academic year is servant leadership

Curriculum Competencies
NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following areas:

1. **Biblical Exposition**: To interpret and communicate the Bible accurately.

2. **Christian Theological Heritage**: To understand and interpret Christian theological heritage and Baptist polity for the church.

3. **Disciple Making**: To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.

4. **Interpersonal Skills**: To perform pastoral care effectively, with skills in communication and conflict management.

5. **Servant Leadership**: To serve churches effectively through team ministry.

6. **Spiritual and Character Formation**: To provide moral leadership by modeling and mentoring Christian character and devotion.

7. **Worship Leadership**: To facilitate worship effectively.

Course Description
The purpose of this course is to discover insights into the emerging challenges and opportunities for evangelistic Christian ministry in a pluralistic society. Students will explore cross-cultural methods and develop skills in communicating Jesus Christ with those who have been influenced by postmodernity and other popular worldviews. Interviews, surveys, Internet research, and role playing will be significant components in the learning process.

Student Learning Outcomes
1. Students will develop an understanding of postmodernism and its relationship to evangelism.
2. Students will study the unchurched in contemporary culture.
3. Students will become familiar with significant literature related to postmodernism and the unchurched.
4. Students will learn how to lead their own church to better evangelize the unchurched.

Course Teaching Methodology
In coordination with Blackboard lectures, reading assignments, and threaded discussions, students will enhance their skills in evangelizing the unchurched through three closely related ways:
1. Developing a comprehensive understanding of postmodernism and its relationship to evangelism.
2. Developing conceptual tools and frameworks that help make sense of the different types of unchurched peoples.
3. Analyzing and developing solutions to evangelizing the unchurched.
In addition to internet case/class interactions, students will have discussions with unchurched persons in their community.
