Mission Statement

New Orleans Baptist Theological Seminary and Leavell College prepares servants to walk with Christ, proclaim His truth, and fulfill His mission.

Core Value Focus

The seminary has five core values.

1. **Doctrinal Integrity:** Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. This course addresses Doctrinal Integrity specifically by preparing students to grow in understanding and interpreting of the Bible.
2. **Spiritual Vitality:** We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word. Spiritual Vitality is addressed by reminding students that a dynamic relationship with God is vital for effective ministry.
3. **Mission Focus:** We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries. This course addresses Mission Focus by helping students understand the biblical foundations for fulfilling the Great Commission and the Great Commandments.
4. **Characteristic Excellence:** What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ. Characteristic Excellence is addressed by preparing students to excel in their ability to interpret Scripture, which is foundational to effective ministry.
5. **Servant Leadership:** We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us. Servant Leadership is modeled by classroom department.

The core value focus for this academic year is **Mission Focus**.

Curriculum Competencies

NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following areas:

1. **Biblical Exposition:** to interpret and communicate the Bible accurately.
2. **Christian Theological Heritage:** To understand and interpret Christian theological heritage and Baptist polity for the church.
3. **Disciple Making:** To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.
4. **Interpersonal Skills:** To perform pastoral care effectively, with skills in communication and conflict management.
5. **Servant Leadership:** To serve churches effectively through team ministry.
6. **Spiritual and Character Formation:** To provide moral leadership by modeling and mentoring Christian character and devotion.
7. **Worship Leadership:** To facilitate worship effectively.

The curriculum competency addressed in this course is interpersonal skills.

1. Be able to apply their knowledge and comprehension of social work to the process of serving churches and community agencies through social work ministries.
2. Value social work methods.
3. Be able to utilize social work skills in the local church and community.

Course Teaching Methodology

Course Requirements

Unit Assignments

Students should complete all unit assignments as instructed on Blackboard by the posted due dates. **All units include quizzes, threaded discussions, journal entries, and reading assignments.**

Discussion Boards

Threaded discussion is intended to foster dialogue concerning the subject matter. Timely answers are critical for participating in threaded discussions. Initial posts to threaded discussions should be submitted by 11:59 p.m. on **Thursday** of each week to allow time for further dialogue. All students are expected to respond to at least 2 initial posts per week. Response posts are due when the unit for which they are assigned closes. Threaded discussions should be timely and thought provoking, referencing reading content and making real-life application. **Points will be deducted for late initial posts. No late response posts are allowed in this course.** (See grading rubric attached to the syllabus.)

Quizzes

Students will complete unit quizzes related to the reading assignments for the unit. **Each quiz must be taken by the due date given for each unit assignment.** Quizzes will not be accessible after the due date. No late quizzes are permitted.

Students will receive a final quiz grade which will be the total points earned on all quizzes divided by the total points possible on all quizzes.

Personal Reflection Journal

Each student will complete journal entries related to the topics for each unit. Journal entries should show

evidence of personal reflection, integration, and application.

Journal entries should be at least two to three full paragraphs (approximately 200 words). The title of each journal entry should be the unit number and the student's last name (e.g., Unit 1 Journal Rivers). Journal entries are due when the unit for which they are assigned closes. **No late journal entries are allowed in this course.** (See grading rubric attached to the syllabus for more information.)

Note about Journal: The topics students are asked to write about in their journals often require them to share information about themselves. For this reason, journal entries will be read by the professor and grader and treated confidentially. However, Information and Technology Center personnel at NOBTS will have access to the Blackboard course and will, in times of need, login to the course to address any problems that might hinder the professor and the students from effectively engaging in online learning.

Ethics Paper

Read the NASW *Code of Ethics*. Select three standards from the Code of Ethics and describe how your personal values and beliefs could potentially conflict with the ethical standard if you were a professional social worker (1 typed page per standard)

Formulate your own code of ethics for a professional social worker (minimum of 3 typed pages).

[See the grading rubric attached to the syllabus.]

Paper on Practice Area

Each student will select a social work practice area to research. The paper should include the following information: a. Description of the field of social work practice; b. History or development of the practice area; c. Role of the social worker in the practice area; d. Clients served in the practice area; e. Primary methods of intervention used in the practice area; f. Current issues/concerns within the practice area; g. Future of social work in the practice area.

The body of the paper should be 14-15 pages. Students should reference at least 12 resources (a combination of peer reviewed journal articles; scholarly books; and credible websites) in the paper. In addition, each student is to interview at least one social worker who works in the chosen field of practice. The interview should be incorporated into the paper.
