Mission Statement

New Orleans Baptist Theological Seminary and Leavell College prepare servants to walk with Christ, proclaim His truth, and fulfill His mission.

Course Description

This course is designed as a comprehensive overview of mental disorders and treatments. Students will acquire a working knowledge of the DSM-5-TR classification system, the diagnostic categories, and the primary treatment options for the major mental disorders. Diagnostic techniques, etiology and pathogenesis, epidemiology, clinical course, and psychopharmacology are also examined. This course is a prerequisite for full admission to the counseling program, including the practicum and internship.

Syllabus Distribution

This syllabus will be made available via canvas one week prior to the first day of class. Due to regular semester updates, any version accessed prior to this date may contain inaccuracies.

Program Objectives:

#2. Upon successful completion of one of the master's programs in counseling, graduates should be able to synthesize theoretical and empirical knowledge in the field of counseling.

#4. Upon successful completion of one of the master's programs in counseling, graduates should be able to integrate historical Christian beliefs, faith, and spirituality with the best practices of mental health science, in an ethical manner.

Evaluation of Grade

This course is graded according to seminary policy:

- A--93-100
- B--85-92*
- C--77-84
- D--70-76
- F--Below 70

**Students are required to pass this course with a grade of B or higher to apply for full program acceptance.*

If you are taking this course as a NOLA2U Live student, please note the following attendance policies:

1. The course on the New Orleans campus will be connected synchronously via Web conferencing with Internet students. These courses will require weekly attendance at the stated class meeting times.
2. Students are only allowed to miss the amount of class time specified in the NOBTS attendance policy as stated in this syllabus.
3. Technical issues will not be considered a valid reason for missing a class session.

Attendance Policy

Students are expected to attend and participate in the class sessions. Any student missing more than nine hours (or three class meetings) may receive an automatic grade of "F" for the course. Three tardies will count as one absence.

Additional Items and Class Policies

Academic Honesty Policy

All graduate and undergraduate NOBTS students, whether on-campus, internet, or extension center students, are expected to adhere to the highest Christian standard of honesty and integrity when completing academic assignments for all courses in every delivery system format. The Bible provides our standard for academic integrity and honesty. This standard applies whether a student is taking tests, quizzes, exams, writing papers, completing Discussion Boards, or any other course requirement.

Academic Policies

Academic policies related to absences, grading scale, final examination schedules, and other topics can be found in the current online catalog: [New Orleans Baptist Theological Seminary Academic Catalog](#).

Classroom Parameters

Please arrive on time.

Turn off cell phones. Utilize laptops and other technology for class purposes only.

Respect the professor and other members of the class.

Maintain confidentiality when someone shares personal information.

Participate in class and group discussions.

Classroom Participation/Active Dialogue

Student participation is expected. Class interaction is an important and valuable aspect of the learning environment where we can experience the truth of the Great Commandment by truly knowing one another.

Disabilities and Accommodations

New Orleans Baptist Theological Seminary does not discriminate against applicants/ students on the basis of personal disabilities. The Seminary, in voluntary compliance with the American Disabilities Act, will provide reasonable institutional accommodations, modifications, and adjustments to enable and empower students with disabilities to participate in Seminary programs and activities to the fullest extent possible. However, NOBTS cannot support accommodations that place undue hardship on the Seminary or its resources or which alter the essential requirements of curriculum and academic progress. While the seminary does not provide direct assistance to students in the form of equipment or personnel, accommodations may be made by individual professors at their discretion. These accommodations usually take the form of early access to lecture materials in electronic format and additional time to complete tests and assignments. The most efficient way to pursue such accommodations is to provide the Director of Testing and Counseling (Dr. Jeff Nave, jnave@nobts.edu, 504-282-4455 ext. 8004) with documentation of the condition for which you seek accommodation, an explanation of helpful accommodations received in the past, and a description of the specific accommodations you desire. The Director of Testing and Counseling will document your request and communicate on your behalf with the

professors who teach the course(s) for which you are registered. The seminary reserves the right to consider each request for “special” accommodations on a case by case basis pursuant to the criteria enumerated above.

Diversity

The Counseling Program at NOBTS affirms the Christian doctrinal position that God created man in His own image, and that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love. We believe the counseling profession affords our students and graduates the opportunity to be “salt and light” (Matthew 5:13-16) whatever their places of service, and that a robust appreciation for and sensitivity to human diversity is key to that end. Further, a learning environment diverse in its people, curricula, scholarship, research, and creative activities expands opportunities for intellectual inquiry and engagement, helps students develop critical thinking skills, and prepares students for social and civic responsibilities. Students and faculty benefit from diversity. The quality of learning, research, scholarship, and creative activities are enhanced by a climate of inclusion, understanding, and appreciation of the full range of human experience. We are committed to nurturing and training a diverse student body in an atmosphere of mutual respect and appreciation of differences. As a result, the counseling program is committed to diversity and equal opportunity and recognizes that it must represent the diversity inherent in American society, reflected in our local community, and aligned with the core values of the NOBTS community.

Emergencies

In cases of emergency, such as hurricanes, disease outbreaks, or other disasters, go to the seminary website (www.nobts.edu) for information. The seminary administration will post information, such as the nature of the emergency, instructions for response, and evacuation and return dates. Please check Canvas for information specific to this course. Because Canvas is available, the course will continue even if the main campus is closed. Please consider registering for the seminary’s priority text messaging service through [SelfServe](#). This service is used only in emergencies and will allow the seminary to deliver urgent information to you as needed.

Extra Credit

No extra credit is available in this course.

Netiquette

Netiquette refers to appropriate online behavior in Canvas or other online discussions. Each student is expected to demonstrate appropriate Christian behavior when working online on Discussion Boards or whenever interaction occurs through web, digital, or other electronic medium. The student is expected to interact with other students in a fashion that will promote learning and respect for the opinions of others in the course. A spirit of Christian charity is expected at all times in the online environment.

Plagiarism on Written Assignments

NOBTS has a no tolerance policy for plagiarism and considers it a serious academic and ethical offense. Plagiarism in certain cases may result in expulsion from the seminary. See the NOBTS *Student Handbook* for the definition, penalties, and policies associated with plagiarism. See your style guides (APA or Turabian) for the correct format for citation in your assignments.

Policy for Graduating Seniors

Graduating seniors are responsible for alerting the professor of your intention to graduate. All of your assignments must be completed by noon (12:00 PM) on the Wednesday prior to commencement exercises.

Policy on Late Assignments

All work is due by 11:59 PM (Central Time Zone) on the due date listed in the syllabus. For this policy, “days” are calendar days from 12:00 AM to 11:59 PM. Work turned in one to seven days late will receive a 10% deduction; work turned in eight to fourteen days late will receive a 20% deduction; work will not be accepted after 14 days. No coursework will be accepted after the last final exam day of the semester as listed in the graduate catalog. In cases of extreme extenuating circumstances, students may appeal to the counseling department faculty for an exception to this policy by completing a form available from the Counseling Division Administrative Assistant.

Professional Conduct

Students are expected to adhere to the appropriate codes of ethics for their particular programs. Any behavior deemed unethical will be grounds for dismissal from the program.

Professor’s Availability and Assignment Feedback

The student may contact the professor at any time using the email address provided in the course syllabus. The

professor will make every effort to return answers to emailed questions within a 24-hour period of time. Assignments requiring grading will be returned to the student within a reasonable period of time. Student feedback on graded assignments will be provided through the grading rubric located in the student's Canvas Grade Book. The student will find comments in the grading rubric, as well as on graded paper assignments. The student may also email the course grader with questions regarding grading.

Reading Assignments

Students are responsible for completing all reading assignments and are expected to demonstrate completion of readings through class discussion.
