Mission Statement
The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Core Value Focus
The seminary has five core values.
1. **Doctrinal Integrity:** Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. This course addresses Doctrinal Integrity specifically by preparing students to grow in understanding and interpreting of the Bible.

2. **Spiritual Vitality:** We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word. Spiritual Vitality is addressed by reminding students that a dynamic relationship with God is vital for effective ministry.

3. **Mission Focus:** We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries. This course addresses Mission Focus by helping students understand the biblical foundations for fulfilling the Great Commission and the Great Commandments.

4. **Characteristic Excellence:** What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ. Characteristic Excellence is addressed by preparing students to excel in their ability to interpret Scripture, which is foundational to effective ministry.

5. **Servant Leadership:** We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us. Servant Leadership is modeled by classroom deportment.

The core value focus for this academic year is **Characteristic Excellence.**

Curriculum Competencies
NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following areas:

1. **Biblical Exposition:** to interpret and communicate the Bible accurately.

2. **Christian Theological Heritage:** To understand and interpret Christian theological heritage and Baptist polity for the church.

3. **Disciple Making:** To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.

4. **Interpersonal Skills:** To perform pastoral care effectively, with skills in communication and conflict management.
5. **Servant Leadership**: To serve churches effectively through team ministry.
6. **Spiritual and Character Formation**: To provide moral leadership by modeling and mentoring Christian character and devotion.
7. **Worship Leadership**: To facilitate worship effectively.

The curriculum competencies addressed in this course are:

- **Interpersonal Skills**: Understand how to build relationships with other ministry leaders within the local church.
- **Servant Leadership**: Determine how the Senior Pastor, staff members, and lay leaders can serve one another while still providing the appropriate leadership required.
- **Spiritual and Character Formation**: As a leadership team intentionally “grow up in all things into Him who is the head – Christ” (Eph. 4:15b, NKJV).

**Course Description**

This course is designed to equip students for leading discipleship ministries in a local church by exploring a variety of methods and approaches used in a response to the Great Commission mandate in churches today. Students are exposed to select and different materials and methods of discipleship in correlation to the Bible Study programs in local churches to provide basis for future adaptation. The student is also introduced to developmental processes currently available.

**Student Learning Outcomes**

This course is designed to introduce students to the basic principles, procedures, guidelines, and available resources for discipleship strategies within the local church. The student involved in this process should be able to accomplish the following:

- Examine a variety of discipleship strategies that can be utilized in local church praxis.
- Understand and be able to discuss foundational concepts related to current developmental processes for various age groups.
- Value/Appreciate the importance of the discipleship mandate given to all believers in Scripture.
- Develop a discipleship strategy, which can be implemented in the student’s specific ministry setting.

**Course Teaching Methodology**

**Netiquette**
Appropriate Online Behavior. Each student is expected to demonstrate appropriate Christian behavior when working online on Discussion Boards or whenever interaction occurs through web, digital, or other electronic medium. The student is expected to interact with other students in a fashion that will promote learning and respect for the opinions of others in the course. A spirit of Christian charity is expected at all times in the online environment.

**Web-based Course Reminder/Warning**
Web-based courses are, by nature, a different kind of learning experience than courses taught in the traditional classroom. Because of this structure, this web-based course is more reading and writing intensive than traditional classroom courses. Rigorous study of the deep things of God can be a rewarding experience for anyone who
participates in it, but it also calls for extra diligence and integrity in completing the work. This reality does not mean that a web-based course cannot be successful in equipping you, the student, for effective, God-honoring ministry. It simply means utilizing a different strategy. Internet courses allow room for independent learners to thrive—to work at a responsible pace, to engage in student-led discussions, and to take ownership of the learning of course content. Note that your instructors are praying for your success.

**Academic Honesty Policy**

All graduate and undergraduate NOBTS students, whether on-campus, internet, or extension center students, are expected to adhere to the highest Christian standard of honesty and integrity when completing academic assignments for all courses in every delivery system format. The Bible provides our standard for academic integrity and honesty. This standard applies whether a student is taking tests, quizzes, exams, writing papers, completing Discussion Boards, or any other course requirement.

**Help for Writing Papers at “The Write Stuff”**

NOBTS maintains a Writing Center designed to improve English writing at the graduate level. Students can receive writing guides, tips, and valuable information to help in becoming a better writer.

**Plagiarism on Written Assignments**

NOBTS has a no tolerance policy for plagiarism. Plagiarism in certain cases may result in expulsion from the seminary. See the NOBTS Student Handbook for definition, penalties, and policies associated with plagiarism.
