Purpose of the Course
The purpose of this course is to familiarize students with the programs, resources, and organizational structures in leading an adult ministry of a local church.

Core Value Focus
Doctrinal Integrity – Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. The doctrinal statements used in our evaluations are our Articles of Religious Belief and the Baptist Faith and Message Statement. 

Spiritual Vitality – We are a worshipping community, with both personal spirituality and gathering together as a Seminary for the praise and adoration of God and instruction in His Word. 

Mission Focus – We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries. 

Characteristic Excellence – What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ. 

Servant Leadership – We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us. 

Annually, the President will designate a core value that will become the focus of pedagogy for the year. For 2019-2020 academic year the Core Value is Spiritual Vitality.

Assignments and Evaluation Criteria

(1) Philosophy of Adult Ministry Paper (20% of grade) – Due April 19
The paper is to be 6-8 pages in length. The paper is to include: a biblical rationale for adult ministry, an overview of the adult developmental stages, the adult as learner (andragogy), and practical ministry implications. The paper should be double-spaced, font size 12, Time Roman, one-inch margins, have a cover/title page, have 6 to 8 resources—books, journal articles, etc. (See Rubric for guidance on grading.)

(2) Current Research Paper (20% of grade) – Due April 26
You are to choose one adult age-group or an affinity group to present the latest research and study on this adult group. Adult groups you can choose from are college, emerging adulthood, young adulthood, middle adulthood, late (senior) adulthood, single adults, men’s ministry, or women’s ministry. The paper should include the following content: present trend of growth or decline of group in society today, their socio-economic aspects, educational status/needs, effective church ministry applications or needs the church needs to address with this adult group, etc. Follow paper guidelines as mentioned above for the “Philosophy of Adult Ministry” paper. This paper is to be 4-5 pages in length employing at least 5 sources—books or articles or interviews.

(3) Strategic One-Year Calendar of Adult Ministry (35% of grade) – Due May 11
Each student is to create a one-year ministry calendar in a power point format, as if, you were presenting to your church staff, church leadership team, church council, or adult leadership team. The presentation/calendar is to include four (4) age or affinity groups mentioned in the “Current Research Paper” section above. The paper needs to include:

1. Introductory slides on the four adult groups you are addressing in your calendar and a basic description of the church ministry context. (Pictures and graphics are good to include.)
2. A slide or two on the regular on-going church ministry-activity schedule that includes these adult groups—Bible Study, discipleship, worship services, etc.
3. A monthly schedule for a year (start in June 2020 to May 2021) of targeted ministry activities that provide fellowship, discipleship, evangelism, worship, or service/mission opportunity for the four groups you have chosen. The calendar needs to include six (6) events/activities for each adult group—one every other month—24 events total. Each event needs to include a name/description of the event, how much it will cost to do the event, and a 1-2 sentence explanation of how this event is relevant to the needs of the adult group as based upon your philosophy of adult ministry and how adults are developing socially and spiritually.

(4) Weekly Discussion Board Participation (25% of grade) – Due Weekly
Make posts each week on the unit(s) that are assigned for that week. Make an initial post by Wednesday with at least two follow-up posts with your fellow classmates through the end of the day on Saturday. Substantial content in posts, submitted on time, and engagement through the week—not all posts in one day—will be primary criteria in assessing discussion board.
