Mission Statement
The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Core Value Focus
The seminary has five core values: Doctrinal Integrity, Spiritual Vitality, Mission Focus, Characteristic Excellence, and Servant Leadership. The core value focus for the 2019-2020 academic year is Spiritual Vitality—“We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word.”

Curriculum Competencies
All graduates of NOBTS are expected to have at least a minimum level of competency in each of the following areas: Biblical Exposition, Christian Theological Heritage, Disciple Making, Interpersonal Skills, Servant Leadership, Spiritual and Character Formation, and Worship Leadership. The curriculum competencies addressed in this course are: Biblical Exposition and Christian Theological Heritage.

Course Description
This course surveys the nature of Scripture, basic Christian convictions concerning the doctrine of Scripture, and the sorts of claims that are brought against the reliability of the Bible, particularly to its textual and historical reliability. Additionally, attention will be given to common claims that there are contradictions in the Bible and, when appropriate, to issues concerning the development of the canon of Scripture.

Student Learning Outcomes
1. Students will be introduced to the basic issues related to the reliability of the Bible by reading the primary texts and assigned readings.
2. Students will be introduced to the basic issues related to the reliability of the Bible by attending relevant breakout sessions at the Defend 2020 Apologetics Conference and summarizing and critiquing those sessions in writing.

3. Students will investigate the basic issues related to the reliability of the Bible through writing book reviews.

4. Students will demonstrate an understanding of how to recognize and respond to a challenge to biblical reliability by writing a research paper on a subject related to the course.

**Required Textbooks**

**Optional Textbooks**

**Course Teaching Methodology**
The course will involve the following methodologies:

Students will attend the Defend 2020 Apologetics Conference at the NOBTS main campus, January 6-10, 2020. Assignments will be turned in at a later date and evaluated via Blackboard.

1. **Lecture Attendance.** Students are required to attend all sessions of the Defend 2020 Christian Apologetics Conference. **Students must affirm on Blackboard that they have done this.**

2. **Required Reading.** Students are required to read all of the required textbooks. Students are not required to review these books, nor may they review any of the required books in lieu of one of the books listed for book reviews. **Students must affirm on Blackboard that they have done this.**

3. **Book Reviews.** Each student is required to review 2 of the books in the bibliography. **Students may not duplicate book reviews from any other course for this course.** Students who wish to substitute another book in place of one of the books in the bibliography must get the professor’s permission in an email to do so.
Reviews should include: (1) some professional biographical data concerning the author; (2) a summary of the book; (3) an assessment of the author's aim or purpose and of the degree of its fulfillment; and (4) a critical evaluation of the book. All grammar and citations in the reviews should follow Turabian form. Reviews should be 5-7 double-spaced pages (which won’t be difficult if students include all of the above criteria). **Book Reviews are due 7 weeks after the final day of the Defend 2020 Apologetics Conference (February 21, 2020).**

4. **Research Paper.** Each student is required to submit a research paper on a topic related to the problem of evil. The paper should be not less than 3,000 words nor more than 3,500 words in length (double spaced, Times New Roman 12 point font). Papers must adhere to the Turabian style guide. Students may **NOT submit the same paper** for this course and another NOBTS course. **Research papers are due 13 weeks after the final day of the Defend 2020 Apologetics Conference (April 10, 2020).**

5. **Session Summaries.** Write one-page, single-spaced summaries of 12 different breakout sessions from the Defend 2020 Christian Apologetics Conference. Students taking more than one Defend 2020 course for NOBTS credit may not use any session summaries that they use for another course. Summaries should be submitted via Blackboard. **Summaries are due 15 weeks after the conclusion of the Defend 2020 Apologetics Conference (April 24, 2020).**

Research papers should be:

- **Well-Rounded:** The bibliography should contain at least 12 non-electronic sources.
- **Biblical:** The researcher should demonstrate the use of biblical texts and hermeneutical skill in his or her evaluation of the issue.
- **Organization:** The organization and structure of the paper should grow out of the research and should be the best possible means for explicating the topic.
- **Implications:** The researcher should be able to demonstrate the “so what” of their research topic as far as it pertains to evangelical faith, practice, and evangelism.
- **Form and style:** Careful attention should be given to all matters of subdivisions, paragraphing, quoted matter, footnotes, punctuation, capitalization, grammar, spelling, sentence structure, word usage, bibliography, etc. Papers (15-20 pages) should be double-spaced, in Turabian format, in Times New Roman 12 pt font, and should contain a bibliography and an NOBTS title page.
- **Critical evaluation:** Critical evaluation—not just superficial treatment of the sources—and accurate exposition of the topic should characterize your paper. It goes without saying that “critical evaluation” requires the use of proper logic.

**Papers due 11 weeks after the last day of the Defend the Faith Apologetics Conference (Friday, March 29, 2019).**

Here is a rough guide to paper grades.

- **A Paper:** Demonstrates a superior grasp of ideas, arguments, or theories it discusses, and presents very good, clear, and thoughtful arguments, with very few, if any, significant grammatical and/or form and style problems.
- **B Paper:** Demonstrates a good grasp of ideas, arguments, or theories it discusses, presents an argument that exhibits good reasoning, with minimal significant grammatical and/or form and style problems.
**C Paper:** Demonstrates an adequate though perhaps limited understanding of ideas, arguments, or theories it discusses, mixed with a significant number of incorrect claims, presents weak arguments, contains significant grammatical or structural problems.

**D Paper:** Demonstrates significant misunderstandings of factual matters, uses poor logic or fallacious reasoning (if any) to argue points (e.g., merely makes a series of unconnected assertions), fails significantly with respect to technical specifications.

**F Paper:** Failure to submit a paper, a paper that commits plagiarism, or a paper that presents no argumentation.

**Grades** will be assigned on the basis of the NOBTS grading scale: 93-100, A; 85-92, B; 77-84, C; 70-76, D; 0-69, F.

**Evaluation of Grade**
