Mission Statement

New Orleans Baptist Theological Seminary and Leavell College prepare servants to walk with Christ, proclaim His truth, and fulfill His mission.

Purpose of the Course

The purpose of this course is to provide the student with the basics of Christian leadership and administration built around servant and transformational leadership principles.

Course Description

This course will focus on a study of the servant leadership model as a basis for personal concepts of church and Christian ministry. By combining the requisite skills for a biblical concept of church administration, the student will explore appropriate models and formulate their personal leadership and administration style for Christian ministry.

Core Value Focus

Doctrinal Integrity – Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. The doctrinal statements used in our evaluations are our Articles of Religious Belief and the Baptist Faith and Message Statement.

Spiritual Vitality – We are a worshiping community, with both personal spirituality and gathering together as a Seminary for the praise and adoration of God and instruction in His Word.

Mission Focus – We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

Characteristic Excellence – What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

Servant Leadership – We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

Curriculum Competencies Addressed

This course will address the following curriculum competencies:

1. *Biblical exposition:* The student will discover passages of Scripture that will address biblical foundations for leadership in the local church or Christian ministry setting .
2. *Theological and historical perspective:* The course will provide a systematic and historical progression of church leadership and ministry as it has evolved to the requirements today.
3. *Effective servant leadership:* The course is designed not only to teach about servant leadership but also to encourage the student to practice this leadership style.

5. *Disciple making:* In this course, students are encouraged to understand that the ultimate purpose of leadership is transforming.

Student Learning Outcomes

By the completion of the course, you will be able to:

1. Identify from Scripture biblical concepts for leadership in the local church and Christian ministry venues, and analyze these practices in terms of a biblical worldview.
2. Develop an understanding of the leadership principles found in Transformational/Servant Leadership and how they integrate into the management of the local church or Christian ministry venue.
3. Know and apply the administrative principles and practices in the planning, organizing, leading and evaluating the ministries of the local church or Christian ministry organization.
4. Develop an understanding of how the leadership and administrative practices in the course apply to the principle church administrative arenas of personnel, finance, and property and then able to communicate those in their ministry context.

Course Policies

Academic Honesty Policy: All graduate and undergraduate NOBTS students, whether on-campus, internet, or extension center students, are expected to adhere to the highest Christian standard of honesty and integrity when completing academic assignments for all courses in every delivery system format. The Bible provides our standard for academic integrity and honesty. This standard applies whether a student is taking tests, quizzes, exams, writing papers, completing Discussion Boards, or any other course requirement.

Assignment Formatting: Unless otherwise noted, all assignments are to follow Turabian 8th edition. All written assignments must be Word documents, written in third person unless otherwise instructed, and created in 12 pt. Times New Roman font. PDFs will not be accepted.

Assignment Submission: All assignments are to be submitted to Blackboard by 11:59 p.m. of the due date unless otherwise indicated. Do not send files as attachments via email to the professor. For technical reasons, this mode of file transmission is extremely inefficient.

Grading Scale: Your final grade will be based on your total accumulation of points as indicated under the *Assignments and Evaluation Criteria* section of this syllabus according to the grading scale in the NOBTS 2019-2020 catalog.

A: 93-100 B: 85-92 C: 77-84 D: 70-76 F: 69 and below

Late Assignments: Only under extreme circumstances, and with prior approval, will a late assignment be accepted. Late assignments will be assessed an initial 10 percent penalty and 1 percent for each day after the due date (i.e. 10/1 points for a 100 point assignment, 3/.3 points for a 30 point assignment). No assignments will be accepted more than two weeks after the original due date. Missed presentations may not be made up.

Netiquette: Appropriate Online Behavior: Each student is expected to demonstrate appropriate Christian behavior when working online. The student is expected to interact with other students in a fashion that will promote learning and respect for the opinions of others in the course. A spirit of Christian charity is expected at all times in the online environment.

Plagiarism: A high standard of personal integrity is expected of all students. Copying another person's work, submitting downloaded material without proper references, submitting material without properly citing the source, submitting the same material for credit in more than one course, and other such forms of dishonesty are strictly forbidden. *Although anything cited in three sources is considered public domain, we require that all sources be cited.* Any infraction will result in failing the course. Any infraction will be reported to the Dean of Students for further action.

Revision of the Syllabus: The course syllabus is not a legal contract. Any syllabus revision will be preceded by a reasonable notice to students. The standards and requirements set forth in this syllabus may be modified at any time by the professor. Notice of such changes will be by announcement in class or by email notice.

NOBTS Style Guide: This course will follow the NOBTS Writing and Style Guide.

Withdrawal from the Course: The administration has set deadlines for withdrawal. These dates and times are published in the academic calendar. Administration procedures must be followed. You are responsible to handle withdrawal requirements. A professor cannot issue a withdrawal. You must do the proper paperwork to ensure that you will not receive a final grade of "F" in the course if you choose not to attend once you are enrolled.

Attendance Policy

Students are expected to attend and participate in the class sessions. Because of the nature of the intensive, students who miss any portion of the class may receive a grade of “F” for the course.
