### **Embedded Assignment**

This course has been identified as a core course and therefore an embedded assignment exists for this course.

#### **Course Requirements**

All assignments must be submitted electronically in Canvas. Unless otherwise noted, all assignments are due before midnight on the due date. See Course Schedule (last page) for due dates.

### 1. Online Discussion Board Engagement (10%)

Participation is required for every course session due to the interactive learning format of the course. A positive attitude can only enhance the learning experience. Therefore, for the purposes of this class, a *positive attitude* and *participation* are defined as productive and interactive engagement with online threads and dialogues throughout a full course session. You cannot participate effectively if you are not engaged in the online dialogues on the subject matter. Consequently, the student is expected to:

- Post answers, comments, and questions on the discussion board threads.
- Provide on-going biblical, philosophical, or social science research to support your assertions.
- Reflect on an idea presented in one of the textbooks.
- Relate an example or story that conveys an application to the thread.

### 2. Scripture Memory (5%)

Each student will memorize and recite selected scripture passages related to personal spiritual growth, discipleship, and disciple making.

### 3. Personal Discipleship Map (10%) \*\*Embedded Assignment\*\*

Each student will design a creative and visual personal discipleship map that depicts spiritual formation and his/her discipleship plan relating to the importance of spiritual maturity, spiritual disciplines, and

relationships. The map should include a biblical foundation for spiritual formation, personal spiritual disciplines/devotional practices, and engagement in relationships through mentoring, and groups.

# 4. Book Critiques (15% or each book is 5%)

Write a 3-page type-written double-spaced report on <u>three</u> of the textbooks (*Discipleship that Fits, Simple Discipleship*, and *Together We Equip*). The book critique should include the following two components: 1) A one-page **content summary** 2) A two-page **reflection summary** of significant ideas (direct quotes or general ideas) from the book. The following should be included with each significant idea: a) the book page number; b) one of the three identified categories below and c) brief reflective personal comments. Each book critique requires at least one of each of the three categories and a personal reading statement at the end of the critique. The personal reading statement is a statement of how much of the book the student has read.

- 1. AGREEMENT Thoughts with which you are in firm agreement; things that make you say "Yes!" or items that inspire you to action in your life and move your spirit.
- 2. DISAGREEMENT Thoughts in which you find dissonance; areas with which you might disagree.
- 3. MORE THOUGHT Areas that you want to spend more time thinking about; things that make you wonder; items on which you are not sure what your stance is.

# 5. Biblical Overview of Discipleship Paper (20%)

Write an 8-page paper discussing the biblical mandate for discipleship. Include an overview of Old Testament and New Testament examples of discipleship. Examine how this mandate and the examples included are applicable to the local church. Use at least eight sources including the Bible and the course texts, preferably scholarly works. Seminary Style Guide is required for this assignment. Refer to the Canvas document "General Considerations for the Biblical Overview of Discipleship Paper" for help with this assignment.

#### **Assignment Formatting**

### 6. MinistrySafe Sexual Abuse Awareness Training (5%)

Each student must complete the online MinistrySafe Training. Students must submit the completion certificate from MinistrySafe to receive credit for the assignment.

# 7. Discipleship Strategy Implementation (35%)

Based on the discipleship strategies and the foundational concepts of development discussed in class, the biblical foundations and mandates of discipleship discussed in your **Biblical Overview of Discipleship paper**, and additional personal research, **develop** a discipleship strategy which can be implemented in your specific ministry setting. Create a PowerPoint presentation (25 slides) or PDF document (25 pages) with **annotations**, which provide an overview, explanation and rationale for your strategy. This presentation should include a **minimum** of 8 to 12 weeks detailed description for **how** to implement your strategy (which can either include planning processes or curriculum and content materials, etc.). Refer to the document

"Discipleship Strategies Development Guide" on Canvas for help with this assignment. **Students will also** select 2-3 slides (2-3 minutes) from this assignment to present on presentation day(s).
