Core Value Focus

Doctrinal Integrity – Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. The doctrinal statements used in our evaluations are our Articles of Religious Belief and the Baptist Faith and Message Statement.

Spiritual Vitality – We are a worshiping community, with both personal spirituality and gathering together as a Seminary for the praise and adoration of God and instruction in His Word.

Mission Focus – We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

Characteristic Excellence – What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

Servant Leadership – We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

Also, students should interview five senior adults from the same church who are over the age of 60 to determine their personal needs and interests. Use Appendix A and B in the required book A Vision for the Aging Church: Renewing Ministry for and by Seniors to guide the questions for both created surveys. Surveys should have a minimum of 8-10 questions and should inform the final program/ministry assignment that is due November 15th. This survey assignment must be completed before the class meets in October. All students will present their findings to the class on Tuesday, October 15th. Presentations to class should include the following components: 1) each survey should be summarized in narrative form and list the questions and 2) students should determine implications for senior adult ministry based on the compilation of the surveys. (Length: 1/2 page typed double-spaced format for each of the surveys (church and five senior adult) and 3 pages for implications – 6 pages total plus a cover sheet). Use Powerpoint or keynote for presentation and turn in the typed report on October 15th.

Issues of Aging/Ministry Plan Paper & Presentation – 30%
Students will select an issue related to aging as the focus of research. The paper should provide an overview of the issue and a plan for ministry relevant to the issue. The body of the research paper should be 8-10 pages and typed (double-spaced) according to Turabian, using a minimum of 10 scholarly sources in addition to citing biblical references. All paper topics should be submitted to the professor by October 1st via email or blackboard for approval. Students will present the finding of their research in class and each student will have 25 minutes for their presentations using Powerpoint. All students will present their findings in their research papers on Thursday, October 17th.

Senior Adult Program/Ministry Reports – 15%
Students will highlight the church program ministry organizations or specialized ministries that relate to the needs of older adults that form important building blocks for a senior adult ministry. Students will prepare a 45-minute Powerpoint presentation (25-30 slides) on the components of the program organization or ministry, the unique aspects related to older adults, and the administration and incorporation of the organization or ministry into the overall senior adult ministry. This project should align with student’s findings in the church and senior adult surveys. Therefore survey questions should be aimed at this ministry program goal. For students to receive full-credit for this assignment, notes should be added to each slide in the presentation. Students may choose from the following programs or ministries:
