The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Purpose of Course

The purpose of the course is to equip the seminary student to be an effective bible teacher in the local church, creating environments to facilitate learning.

Our Core Values

The seminary has five core values. The focal core value for 2017-2018 is *Servant Leadership*. This course supports the five core values of the seminary.

Servant Leadership: We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

Curriculum Competencies Addressed

NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following areas:

Biblical Exposition: to interpret and communicate the Bible accurately.

Christian Theological Heritage: To understand and interpret Christian theological heritage and Baptist polity for the church.

Disciple Making: To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.

Interpersonal Skills: To perform pastoral care effectively, with skills in communication and conflict management.

Servant Leadership: To serve churches effectively through team ministry.

Spiritual and Character Formation: To provide moral leadership by modeling and mentoring Christian character and devotion.

Worship Leadership: To facilitate worship effectively.

This course will address the following curriculum competencies:

1. *Biblical Exposition:* Students will explore biblical foundations and rationale for teaching ministry in the local church.
2. *Disciple Making:* Students will examine educational issues that play a significant role in the development of faith.
3. *Interpersonal Skills:* Students will develop or improve the skills necessary for communicating well with church members, volunteers, staff, and the church body as a whole.
4. *Spiritual and Character Formation:* Course content will help students address their own spiritual and developmental needs in areas related to teaching.
