1. Textbook Readings, Reviews, Summaries, and Exercises:

- A. Read the Hughes textbook *Liberating Ministry from the Success Syndrome*, from the standpoint of your ministry position, and write a 3 page (single-spaced) **Review** of the book, with a cover page. The Review should answer the following questions:
  - What is the major emphasis of the book?
  - What are the key insights/takeaways from the book and why?
  - What areas in your life were affirmed and what areas need changing?

The Hughes Review is to be submitted during the first session of the workshop (one hard copy). Be prepared to discuss the Review during the workshop.

- B. Read the Yessick textbook *Building Blocks for Longer Life and Ministry* and complete the Assessment of Total Well-being, beginning on page 105. After answering the questions, write a **Summary** of your assessments and prepare a list of proposed personal actions to bring wellness to your life. There is no minimum page requirement,

and the answers to questions are **NOT** required to be submitted in this summary. This summary (one hard copy) is to be submitted during the first session of the workshop.

C. The Wilson and Hoffman textbook *Preventing Ministry Failure* consists of an Introduction, seven Foundation Stones sections, and Appendixes. Read the Introduction, and then select **three (3)** of the Foundation Stone sections that present the **Most Ministry Challenges** for you at this season of your life. Answer all of the questions and complete all of the exercises for each chapter of the sections selected. Then, take the Holmes-Rahe Life Stress Inventory (Appendix C). Be prepared to discuss your Foundation Stone sections and the Life Stress Inventory in the workshop.
