Mission Statement

New Orleans Baptist Theological Seminary and Leavell College prepare servants to walk with Christ, proclaim His truth, and fulfill His mission.

Purpose of Course

The purpose of this course is to help provide a risk management competency for Christian Education students.

Our Core Values

The seminary has five core values.

Doctrinal Integrity: Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. Our confessional commitments are outlined in the “Articles of Religious Belief” and the “Baptist Faith and Message 2000.”

Spiritual Vitality: We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word.

Mission Focus: We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.
Characteristic Excellence: What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

Servant Leadership: We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

For 2019-2020 academic year the Core Value focus is Spiritual Vitality.

Course Catalog Description

Churches face an increasingly complex system of rules and regulations imposed by the courts, the government, and common sense. Church leaders will learn to navigate the waters of risk management and establish sound church practices. Risk management describes the process of protecting the persons in the church and the church itself from problems in areas such as insurance, property management, safety, paid and volunteer staff screening and training, contracts, policies, and vehicle liability. This course will help church leaders identify risk areas prior to a loss or tragedy and establish and implement processes for risk management.

Student Learning Outcomes

By the completion of the course, you will be able to:

1. Apply your knowledge and comprehension of basic risk management issues, terminology, and strategies and their implications for the practice of Christian Education in a local church or Christian school. These issues and strategies may include insurance, property management, vehicle and transportation issues, safety, paid and volunteer staff screening and training, contracts, etc.
2. Value the study of risk management and its implications for the practice of Christian Education in a local church or Christian school setting.
3. Formalize a risk management assessment strategy for a local church or Christian school by evaluating risk exposure and enlisting and equipping a risk management team.
