Congratulations to Lindsay Holder (missions) and Eric Reeves (Old Testament) for being named the recipients of the Robert S. Magee Doctoral Scholar awards for the 2020-2021 academic year.

This award in honor of Dr. Robert S. Magee, an NOBTS graduate who pastored churches in MS and LA and was chair of the NOBTS Board of Trustees from 1975 to 1983, is granted primarily on the basis of academic excellence and scholarly potential. The Associate Dean of Research Doctoral Programs, chairs of the academic divisions, Dean of Graduate Studies, and Provost are involved in determining recipients.

***ReDOC Schedule for 2019-2020***

The following are the remaining ReDOC meetings for 2019–2020:

- May 13 (4/13 IRB;** fall directed studies)
- June 3 (5/4 IRB)**

An IRB request and a pdf of a prospectus for research using human subjects must be **submitted to the guidance committee chair**, who must forward them to redocsec@nobts.edu, indicating permission to proceed, no later than one month prior to the meeting at which the prospectus will be considered. See the [Program Materials page](#) for the form and details.

A prospectus to be considered by ReDOC must be reviewed by your guidance committee

before you submit a pdf to the Office of Research Doctoral Programs no later than one week before the scheduled ReDOC meeting. Prospectuses for research involving human subjects must be received one month before the meeting.

Likewise, matters such as directed study proposals and requests to take courses at other institutions must be submitted one week before the ReDOC meeting at which they will be considered. Also e-mail a **pdf** of the prospectus or directed study proposal to phd@nobts.edu. Indicate the appropriate professors on the directed study approval page.

If your research involves human subjects, you must go

through the Institutional Review Board approval process. Your guidance committee cannot approve your prospectus until (1) the IRB assesses the risk to and protection of the participants; (2) you submit your revised prospectus, consent form, and IRB request; and (3) the IRB approves your treatment of human subjects as reflected in these documents. You cannot contact study participants before approval of both the IRB and your guidance committee. IRB approval is valid for two years.

**The maximum length for the prospectus is 30 pages of text plus the selected bibliography. Documents with text longer than 30 pages will not be accepted.**

**IF YOU HAVE MOVED OR CHANGED YOUR E-MAIL ADDRESS OR PHONE NUMBER, PLEASE NOTIFY THE REDOC OFFICE AND UPDATE YOUR INFORMATION IN SELFSERVE.**

**NOTE:** If you think your guidance committee approved your prospectus but you have not seen it in the *ReDOC News*, contact the ReDOC office. **You cannot contact human subjects before approval.**

# The Haddon W. Robinson Preaching Award

SPONSORED BY THE EVANGELICAL HOMILETICS SOCIETY

The Haddon W. Robinson Preaching Award is an annual preaching scholarship established in honor of Dr. Haddon W. Robinson's teaching career in homiletics spanned decades, instructing students at three different seminaries. Dr. Robinson's classic textbook, *Biblical Preaching*, helped shape the place and force of evangelical homiletics. Robinson's legacy for preaching is captured in this significant award.
