ReDOC Schedule for 2020-2021

The following are the ReDOC meetings for 2020–2021:

March 10 (2/10 IRB; summer directed studies)

March 29 (Doctoral Admissions)

April 7 (3/8 IRB)

May 12 (4/12 IRB; fall directed studies)

June 2 (5/3 IRB)

An IRB request and a pdf of a prospectus for research using human subjects must be **submitted to the guidance committee chair**, who must forward them to redocsec@nobts.edu, indicating permission to proceed, no later than one month prior to the meeting at which the prospectus will be considered. See the [Program Materials page](#) for the form and details.

A prospectus to be considered by ReDOC must be reviewed by your guidance committee and **7 copies** (double-sided printing is allowed) submitted through your chairperson to the Office of Research Doctoral Programs no later than one week before the scheduled ReDOC meeting. Prospectuses for research involving human subjects must be received one month before the meeting.

Likewise, matters such as directed study proposals and requests to take courses at other institutions must be submitted one week before the ReDOC meeting at which they will be considered. Also e-mail a **pdf** of the prospectus or directed study proposal to phd@nobts.edu. Do submit a hard copy of the directed study approval page.

If your research involves human subjects, you must go through the Institutional Review Board approval process. Your guidance committee cannot approve your prospectus until (1) the IRB assesses the risk to and protection of the participants; (2) you submit your revised prospectus, consent form, and IRB request; and (3) the IRB approves your treatment of human subjects as reflected in these documents. You cannot contact study participants before approval of both the IRB and your guidance committee. IRB approval is valid for two years.

The maximum length for the prospectus is 30 pages of text plus the selected bibliography. Documents with text longer than 30 pages will not be accepted.

NOTE: If you think your guidance committee approved your prospectus but you have not seen it in the *ReDOC News*, contact the ReDOC office. **You cannot contact human subjects before approval.**
