SUPERVISOR AND EVANGELISM TEAM ORIENTATION

Supervised Ministry I

UNDERLYING CONVICTIONS
Supervised Ministry I

• Evangelism is God-initiated.
  – God the Father is the Author of evangelism
  – God the Son is the Provider for evangelism
  – God the Holy Spirit is the Implementer of evangelism
  – Scripture necessitates that God alone gets the glory for the work of evangelism.
UNDERLYING CONVICTIONS
Supervised Ministry I

• Evangelism is church-based.
  – The local church is God’s chosen vehicle for making disciples of all nations.
  – Our goal is to support the evangelistic ministries of local churches in and around New Orleans while training students to do evangelism in the context of the local church.
UNDERLYING CONVICTIONS
Supervised Ministry I

• Evangelism is people-conscious.
  – Lost people matter to God.
  – A love for people must permeate every facet of our evangelism.
  – In an increasingly postmodern culture, we must do all we can to show the beauty of Christ and His gospel to the people around us.
UNDERLYING CONVICTIONS
Supervised Ministry I

• Evangelism is Great Commission-focused.
  – Everything we do in evangelism is aimed toward fulfilling the Great Commission.
  – The goal of our service is more than evangelism in New Orleans...it is disciple-making in all nations.
How Supervised Ministry I works…

- 16 hours (2 hours a week for 8 weeks) of personal evangelism ministry on an evangelism team.
- Personal interaction with a supervising minister.
- Evangelism training in class
  - One on One
• With so much material currently available, is another approach really necessary? Actually, it is very needed.

WHEN IT COMES TO EVANGELISM WE NEED:

- “Different strokes for different folks.”
- Culturally relevant tools to catch more fish.
- New techniques to produce better fishermen.
A Postmodern Culture

Will:

Debate Religion
Debate Politics
Debate Morality

But...
The one thing they will not debate is...

Your Personal Experience!

That is why your story/testimony is a powerful tool for 21st century evangelism!

REMEMBER THE GOAL:
MAKING DISCIPLES OF ALL NATIONS
“This is the new evangelism we need. It is not better methods, but better men and women who know their Redeemer from personal experience – men and women who see his vision and feel his passion for the world – men and women who are willing to be nothing so that he might be everything – men and women who want only for Christ to produce his life in and through them according to his own good pleasure.”
“This finally is the way the Master planned for his objective to be realized on earth, and where it is carried through by his strategy, the gates of hell cannot prevail against the evangelization of the world.”
