BSCM4385	Theological Issues in the New Testament	Strong	Provides information related to the understanding and interpreting of specific theological issues based upon a biblical understanding	Minimal	Aids students in developing a personal theology	Minimal	Aids students in completing assignments through organization of paper and written communication	Strong	Aids students in developing theological conclusions based upon conclusions drawn from the Bible.
BSCM4386	Theological Issues in the Old Testament	Strong	Provides information related to the understanding and interpreting of specific theological issues based upon a biblical understanding	Minimal	Aids students in developing a personal theology	Minimal	Aids students in completing assignments through organization of paper and written communication	Strong	Aids students in developing theological conclusions based upon conclusions drawn from the Bible.

### CHRISTIAN EDUCATION

Course ID	Course Name	Biblical Interpretation		Service and Leadership		General Education		Historical and Theological	
		Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification
CECM1261	Children and Crisis	Moderate	Provides students with the opportunity to develop a foundational understanding of biblical theology regarding crisis.	Strong	Students examine situations and events that may cause a crisis and appropriate methods of response.	Strong	Provides students with the skills to lead/serve the local church in the areas of children and family ministry	Moderate	Provides students with the historical and theological foundation of the teaching ministry within the field of Christian education within the local church and its various ministries.
CECM1264	Children's Ministry Project	Moderate	Provides students with the opportunity to be engaged in ministry with a biblical foundation.	Strong	Students are required to be involved in hands-on service and leadership in children's ministry.	Strong	Provides students with the skills to lead/serve the local church in the area of children's ministry.	Moderate	Provides students with the theological underpinnings of children's ministry within the local church and its various children-related ministries.

Course ID	Course Name	Biblical Interpretation		Service and Leadership		General Education		Historical and Theological	
		Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification
CECM1266	Supervised Reading in Childhood Education	Minimal	Provides students with the opportunity to interact with texts in the field of children's ministry that are written upon a biblical foundation/from a biblical perspective.	None	The purpose of this class is to expose students to significant texts in the area of children's ministry.	Minimal	Aids students in their ability to read critically and to complete assignments through the organization of papers and written communication.	Moderate	Provides students with the theological underpinnings of children's ministry within the local church and its various children-related ministries.
CECM1300	Introduction to Christian Education	Moderate	Provides students with a biblical understanding of evangelism, discipleship, fellowship, ministry, and worship.	Strong	Provides students with the opportunity to serve in the Christian education area of a local church.	Strong	Provides students with the skills to lead/serve the local church and to develop further their interpersonal relationship skills with staff, lay leaders, volunteers, overall church body, and community.	Moderate	Provides students with the historical and theological foundation of Christian education within the local church and its various ministries.
CECM1302	Principles of Teaching and Learning	Minimal	Provided students with a biblical understanding of the teaching ministry within the church. Also, reviews maintaining biblical integrity when teaching.	Moderate	Provides students with the opportunity to incorporate learning styles, multiple intelligences and understanding the learning environment as they prepare and present a biblical lesson. This application is beneficial as the student takes on a role of service and leadership	Moderate	Aids students in completing assignments through organization of paper and written communication; provides students with the opportunity to teach others what they have learned	Moderate	Provides students with the historical and theological foundation of the teaching ministry within the field of Christian education within the local church and its various ministries.

Course ID	Course Name	Biblical Interpretation		Service and Leadership		General Education		Historical and Theological	
		Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification
CECM2301	Special Events in Childhood Education	Minimal	Provides students with the opportunity to be engaged in ministry with a biblical foundation.	Moderate	Provides students with the opportunity to participate in a national-level childhood education workshop, helping to prepare the student for service and leadership within children's ministry	Moderate	Aids students in completing assignments through organization of paper and written communication	Moderate	Provides students with the historical and theological foundation of Christian education within the local church and its various ministries.
CECM2310	Human Development	Minimal	Provides students with a biblical understanding of human development including physical, cognitive, emotional, social, and spiritual.	Moderate	As the students gain a greater understanding of how a person develops (physically, cognitively, emotionally and socially), the student is better able to serve the individual	Moderate	Aids students in completing assignments through organization of paper and written communication	Minimal	Students are exposed to the theological view of the creation and development of man.
CECM2325	Foundations of Christian Education	Moderate	Students investigate the biblical foundations, which serve as a basis for an understanding of Christian education.	Minimal	Provides students with the opportunity to gain understanding of the biblical, philosophy, history, and social foundations of Christian education	Moderate	Aids students in completing assignments through organization of paper and written communication	Strong	Provides students with the historical and theological foundations of Christian education.
CECM2350	Teaching Methods	Strong	Students use tools to interpret scripture in preparation for teaching it	Moderate	Provides students with the opportunity to teach biblical concepts to others for the purpose of application and edification of the church	Moderate	Aids students in their ability to plan logically; provides students with the opportunity to teach others what they have learned	Moderate	Aids students in understanding the purpose of scripture, from the Baptist perspective, before they develop a plan for teaching scripture.

Course ID	Course Name	Biblical Interpretation		Service and Leadership		General Education		Historical and Theological	
		Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification
CECM2360	Child Development	Minimal	Provides students with a biblical understanding of human development including physical, cognitive, emotional, social, and spiritual	Moderate	As the students gain a greater understanding of how a child develops (physically, cognitively, emotionally and socially), the student is better able to serve the child and his/her family	Moderate	Aids students in completing assignments through organization of paper and written communication	Minimal	Students are exposed to the theological view of the creation and development of children.
CECM3320	Lifespan Cristian Education	Moderate	Provides students with a biblical understanding of evangelism, ministry, and discipleship.	Strong	Encourages students to understand and value the service and ministry to all persons regardless of specific lifespan or life-stage.	Moderate	Aids students in completing assignments through organization of paper and written communication	Moderate	Aids students in understanding the historical foundation of the various age-graded ministries. Also aids the students in understanding the theological underpinnings of education throughout one's life span.
CECM4321	Introduction to Youth Ministry	Moderate	Provides students with a biblical understanding of evangelism, ministry, and discipleship.	Strong	Encourages students to understand and value the service of youth ministry within the local area church. Also, helps to prepare the student for service and leadership in the youth ministry of the local church.	Moderate	Aids students in completing assignments through organization of paper and written communication	Moderate	Aids students in understanding the historical foundation of youth ministry. Also aids the students in understanding the theological underpinnings of education and ministry with/to youth in the local church and its various ministries.

Course ID	Course Name	Biblical Interpretation		Service and Leadership		General Education		Historical and Theological	
		Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification
CECM4322	Introduction to Adult Ministry	Moderate	Provides students with a biblical understanding of evangelism, ministry, and discipleship.	Strong	Encourages students to understand and value the service of adult ministry within the local area church. Also, helps to prepare the student for service and leadership in the adult ministry of the local church.	Moderate	Aids students in completing assignments through organization of paper and written communication	Moderate	Aids students in understanding the historical foundation of adult ministry. Also aids the students in understanding the theological underpinnings of education and ministry with/to adults in the local church and its various ministries.
CECM4323	Introduction to Children's Ministry	Moderate	Provides students with a biblical understanding of evangelism, ministry, and discipleship.	Strong	Encourages students to understand and value the service of children's ministry within the local area church. Also, helps to prepare the student for service and leadership in the children's ministry area of a local church.	Moderate	Aids students in completing assignments through organization of paper and written communication	Moderate	Provides students with the historical and theological foundation of children's ministry within the local church and its various ministries.
CECM4331	Educational Psychology	Minimal	Encourages students to explore the foundations of educational psychology through the lens of Scripture.	Minimal	Provides students with foundational information to the field of educational psychology	Moderate	Aids students in completing assignments through organization of paper and written communication	Minimal	Introduces historical education theories and encourages the students to filter these theories through a theological lens.

Course ID	Course Name	Biblical Interpretation		Service and Leadership		General Education		Historical and Theological	
		Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification
CECM4351	Generational Trends and their Impact on Adult Ministry within the Local Church	Moderate	Introduces students to a biblical understanding of evangelism, ministry, and discipleship.	Strong	Encourages students to understand and value the adult generations within their local church. Also provides students with the opportunity to develop a ministry action plan for a specific adult generation, thereby giving them a platform to serve and provide leadership to this generation.	Moderate	Aids students in completing assignments through organization of paper and written communication	Moderate	Aids students in understanding the historical foundation of adult ministry. Also aids the students in understanding the theological underpinnings of education and ministry with/to adults in the local church and its various ministries.
CECM4380	Introduction to Community Ministries	Minimal	Encourages students to explore the foundations of community ministries through the lens of Scripture.	Strong	Encourages students to develop both a personal and corporate response to community needs throughout the local church and Christian agencies	Moderate	Aids students in completing assignments through organization of paper and written communication. Also, aids the students in learning how to communicate with others.	Minimal	Introduces students to the historical foundation of community needs and encourages the student to view current practices through the lens of Scripture.
WMCM2329	A Biblical Theology of Womanhood	Strong	Provides a biblical understanding of womanhood as it relates to the home, church, and world	Moderate	Aids students in interpreting biblical texts pertaining to the role of women as a basis for ministry decisions	Moderate	Introduces students to concepts of discipleship and biblical education for other women in the church	Strong	Introduces students to a historical survey of the status and roles of women in the cultures, which encompass the biblical backgrounds (i.e. Ancient Near East, Judaism, Greco-Roman, etc.).

Course ID	Course Name	Biblical Interpretation		Service and Leadership		General Education		Historical and Theological	
		Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification	Rubric	Mini-Justification
WMCM2340	A Survey of Feminist Theology	Strong	Provides students with tools to interpret Scripture against feminist ideology of roles of women in home, church and society	Minimal	Aids students in interpreting Scripture as a basis for understanding God's design of women and how that effects teaching and discipleship of such in the home, church, and world	Moderate	Aids students in knowing how to recognize the influence of feminism in culture and church	Strong	Introduces students to a historical survey of feminism and encourages the student to understand how the infiltration of this ideology affects worldview.
WMMW1157	A Study of James	Strong	Provides students with background information and further study tools towards interpreting the Book of James	Minimal	Aids students in interpreting the text of James as a basis for ministry and life decisions	Minimal	Aids students in completing assignments through organization of paper and written communication	Moderate	Introduces students to the historical setting of Jerusalem in the 1 c., and to the historical situation of the diaspora and encourages an exploration of why and how the letter from James is applicable to those circumstances.

### CHRISTIAN MINISTRY

Course ID	Course Name	Biblical Interpretation		Service and Leadership		General Education		Historical and Theological
