 - Undergirding of worship ministry (students get strong exposure)
 - High percentage already engaged in worship ministries in a variety of contexts (volunteer or paid)
 - Consistently finding best practices for distance education
2. If not obvious from the rubric or other juries, please note specific **weaknesses to be improved** in the degree program as a whole (and/or curriculum) found by the jury related to SLOs.
 - SLO 3: Lacking a degree-specific direct measure
 - Students come with a wide range of technology abilities, which creates challenges for teaching
3. Please note any **recommended or proposed curricular improvements** needed related to SLOs.
 - Offering hybrids more frequently (meet more often)
 - NOLA2U video conferencing offering – available to students
4. Please note any **recommendations or improvements for the process.** (Revision of rubric, reconsideration of SLOs, reconsideration of artifact used, etc.)
 - Implement new rubric for assessment (5-point scale)
 - Consider shortening or restructuring the SLOs to correlate to the number of ATS goals (to keep process sustainable, simple, and streamlined)
 - Learning Improvements include hybrid approach and CIV capability (these are in place)
