

Take your studies to the next level!

An UNBEATABLE deal for students:

Introducing the NOBTS Foundations Collection

The New Orleans Baptist Theological Seminary (NOBTS) Foundations Collection is an outstanding research tool for students and faculty to use for exegesis and language studies. World-class scholars such as Bill Mounce, Emanuel Tov, and Dan Wallace have used Accordance extensively as part of their research. New Orleans Baptist Theological Seminary now has the amazing opportunity to own this foundational software for only **\$29.00!**
