Mission Statement

New Orleans Baptist Theological Seminary and Leavell College prepare servants to walk with Christ, proclaim His truth, and fulfill His mission.

Purpose of Course

The Ph.D. Counselor Education and Supervision Internships provide students with an integration of academic course work and applied learning experiences. Students are expected to master course work considered essential to the doctoral level professional preparation of counselor leaders who seek to offer services consistent with a biblical worldview. These courses will address the curriculum competency component of Christian Counseling in the Ph.D. Counselor Education and Supervision degree.

Our Core Values

The seminary has five core values: Doctrinal Integrity, Spiritual Vitality, Mission Focus, Characteristic Excellence, and Servant Leadership. The core value focus for this academic year is Spiritual Vitality. What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

Curriculum Competencies Addressed

All graduates of NOBTS are expected to have at least a minimum level of competency in each of the following areas: Biblical Exposition, Christian Theological Heritage, Disciple Making, Interpersonal Skills, Servant Leadership, Spiritual and Character Formation, and Worship Leadership. The curriculum competency addressed in this course is Servant Leadership: To serve clients and the public effectively.

Course Catalog Description

The Doctoral Practicum provides supervised experiences in counseling. Students must participate in a supervised practicum of a minimum of 100 hours, of which 40 hours must be providing direct counseling services. The nature of the doctoral-level practicum experience is to be determined in consultation with the counselor education program faculty. Individual or triadic supervision meetings with a faculty supervisor or a qualified supervisor, as well as regular group supervision meetings with a faculty supervisor are required.

Program Outcomes PhD In Counseling Education and Supervision

1. Apply supervision theory and skills to clinical supervision;
2. Demonstrate course design, delivery, and evaluation methods appropriate to counselor education learning outcomes;
3. Critically analyze and evaluate scholarly research, develop and implement research designs, and produce scholarly reports that disseminate findings to the profession of counseling;
4. Critically analyze, evaluate, and synthesize a broad range of counseling theories, with an advanced understanding of psychopathology, to inform case conceptualization and deliver and evaluate evidence-based interventions across diverse populations and settings;
5. Provide leadership and advocacy within the profession and on behalf of its clientele;
6. Integrate faith and spirituality into counselor education and supervision in an ethical manner.
