

Maintaining an Ethical Practice in Counseling

Dr. Ian Jones

DeAron Washington

(Available for NASW 3 Ethical Hours, NBCC (LPC) 3 Clock Hours, LMFT 3 Ethical CE)

Description: This workshop is designed to refresh the participant's memory about key principles of ethical practice. Special focus will be given to current issues that frequently result in ethical complaints being levied against counselors with licensing boards.

The concept of ethical bracketing will be considered. Case scenarios will be used to reinforce and clarify principles of ethical practice. The NBCC, ACA, AAMFT, and NASW Code of Ethics will be used as references in this session.

Objectives:

1. Participants will review ethical practices in counseling.
2. Participants will process issues frequently leading to complaints levied against professional counselors.
3. Participants will apply ethical codes and best practices to case scenarios.
