INDEPENDENT AUDITOR'S REPORT

Board of Trustees New Orleans Baptist Theological Seminary

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of New Orleans Baptist Theological Seminary (the Seminary), which comprise the consolidated statements of financial position as of July 31, 2024 and 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of New Orleans Baptist Theological Seminary as of July 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of New Orleans Baptist Theological Seminary and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Seminary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial
 statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Orleans Baptist Theological Seminary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New Orleans Baptist Theological Seminary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplemental information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEARS ENDED JULY 31, 2024 AND 2023

Note 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The consolidated financial statements include the accounts of the New Orleans Baptist Theological Seminary (Seminary) and the New Orleans Baptist Seminary Foundation (Foundation). The Seminary is an agency of the Southern Baptist Convention (SBC) and is governed by a Board of Trustees elected by the SBC. The Foundation is a nonprofit corporation organized under the laws of the State of Louisiana to provide financial support to the Seminary.

Because these entities (hereafter collectively termed the "Seminary") are under common control and management and share the same facilities and other resources, the accompanying consolidated financial statements include these entities on a consolidated basis. All significant intercompany balances and transactions have been eliminated.

The Seminary is funded primarily by the SBC Cooperative Program, student tuition and fees, and gifts from others.

Basis of Accounting

The consolidated financial statements of the Seminary have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

The financial statement presentation is presented as required by the *Not-For-Profit Entities Classification of Net Assets* Topic of the FASB Accounting Standards Codification. Under those provisions, net assets and revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Seminary's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Seminary or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONT'D.) FOR THE YEARS ENDED JULY 31, 2024 AND 2023

Note 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D.)

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America includes the use of estimates that affect the consolidated financial statements. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash equivalents include time deposits, sweep accounts, and all highly liquid debt instruments with original maturities of three months or less, except that such investments purchased with endowment assets or deposits with trustees are classified as long-term investments.

At times, the Seminary maintains deposits with high quality financial institutions in amounts that are in excess of federal insurance limits.

Accounts Receivable

Accounts receivable include student accounts receivable and other receivables. Student accounts receivable represent amounts due for tuition, fees, and room and board from currently enrolled and former students. The Seminary extends unsecured credit to students in connection with their studies. Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable.

<u>Deferred Revenue</u>

The Seminary's policy is to allow students to register in advance during the summer preceding fall classes. Deferred revenue represents the tuition and fees revenue billed and received for the upcoming school year.

Investments

Investments in marketable and debt securities are stated at fair value. Real estate investments are stated at cost or fair value at the date of gift. Notes receivable are valued at their outstanding principal balance. Life insurance policies are stated at their stated cash values. Restricted gains and investment income whose restrictions are met in the period the gains or income are recognized are reported as unrestricted revenue and gains.

Property and Equipment

Property and equipment are stated primarily at cost or, if donated, at the approximate fair market value at the date of donation, less accumulated depreciation. Depreciation is computed on the straight-line method over the estimated useful lives of the assets (which range from 5 to 67 years). Expenditures for new construction, major renewals and replacements, and equipment are

Property and Equipment (Cont'd.)

capitalized. Contributions of long-lived assets or contributions restricted for acquisition of long-lived assets are reported as increases in net assets with donor restrictions. Restrictions are considered met, and an appropriate amount reclassified to unrestricted net assets, over the useful life of the long-lived assets as calculated by the Seminary's depreciation policy.

Contributions

The Seminary accounts for contributions in accordance with the related topics in the FASB Accounting Standards Codification. Contributions, including unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional; that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions.

Restricted contributions whose restrictions are met in the period the contributions are received are reported without donor restrictions.

At July 31, 2024 and 2023, no conditional promises to give or contributions to be received after one year existed.

Donated Services

Occasionally, the Seminary receives support in the form of donated services. These services are recognized as revenue without donor restrictions if the services rendered (a) create or enhance nonfinancial assets or (b) require specialized skill, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by contribution. Contributed services that do not meet these criteria are not recognized as revenue. No such amounts were recorded in the financial statements for the years ended July 31, 2024 and 2023.

Revenue Recognition

Tuition and fees revenue is reported in the fiscal year in which educational programs are primarily conducted. Scholarships are awarded to students for tuition, fees, and room and board and are based upon need and merit.

Functional Expense Allocation

Expenses by function have been allocated among program, supporting services, and development classifications by New Orleans Baptist Theological Seminary's management on the basis of specific identification of costs or other reasonable allocation methods.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONT'D.) FOR THE YEARS ENDED JULY 31, 2024 AND 2023

Note 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D.)

Investment Returns

Investment return included dividends, interest, and other investment income; realized and unrealized gains and losses on investments carried at fair value, less external investment expenses. Gains and losses on sale of securities are recorded on the trade date and are determined using the specific identification method. Investment return is reflected in the statement of activities with or without donor restrictions based upon the existence and nature of any donor or legally imposed restrictions.

The Seminary maintains pooled investment accounts for its endowment and other fund balance accounts. Investment income and realized and unrealized gains and losses from securities in the pooled investment accounts are allocated annually to the individual endowments and other fund balance accounts based on the relationship of the fair value of the interest of each endowment to the total fair value of the pooled investment accounts.

Income Taxes

The Seminary is a nonprofit organization that is exempt from federal income tax under Internal Revenue Code Section 501(c)(3). The Seminary's management believes there are no significant uncertain tax positions taken by the Seminary as of July 31, 2024 and 2023, and, accordingly, no liabilities have been recorded.

Government Grants

The Seminary derives a portion of its revenues from Federal educational assistance received directly by the school or by its students. To continue to participate in the programs authorized by Title IV of the HEA, the Seminary must comply with the regulations promulgated under the HEA. The regulations require a proprietary school to derive at least 10 percent of its cash basis revenues for each fiscal year from sources other than Federal funds. If a school receives more than 90 percent of its cash basis revenues from Federal funds during its fiscal year, the school becomes provisionally certified for the next two fiscal years. If a school fails to satisfy this 90/10 requirement for two consecutive years, the school will lose its ability to participate in Title IV programs. See note 15 for additional information.

Reclassifications

Certain prior year information has been reclassified to conform to current year presentation.

Date of Management Evaluation

Management has evaluated subsequent events through September 10, 2024, the date on which the consolidated financial statements were available to be issued.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONT'D.) FOR THE YEARS ENDED JULY 31, 2024 AND 2023

Note 2 - CONCENTRATION OF CREDIT

The Seminary maintains its cash accounts generally with financial institutions located in the Greater New Orleans area. Cash balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At July 31, 2024 and 2023, the Seminary had cash balances that exceeded the balance insured by the FDIC by \$0 and \$0, respectively. The Seminary also maintains cash balances with investment management companies that are not insured.

Note 3 - LIQUIDITY AND AVAILABILITY

The following reflects the Seminary's financial assets as of July 31, 2024 and 2023, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the statements of financial position date. Financial assets are considered unavailable when illiquid or not convertible to cash within one year:

Unavailable funds at year end	<u>81,291,337</u>	77,005,804
Financial assets available	<u>\$12,404,542</u>	\$14,281,787

The Seminary regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. The Seminary has cash and cash equivalents available for immediate use, as well as other sources of liquidity available over longer time frames. The Seminary operates with a balanced budget and anticipates collecting revenue that is, at least, sufficient to cover general expenditures not funded by donor-restricted resources. The Seminary does not intend to spend from its board designated endowment beyond the amounts appropriated for general expenditure of its annual budget approval and appropriation; however, amounts from the board designated endowment could be made available within the next 12 months with board approval.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONT'D.) FOR THE YEARS ENDED JULY 31, 2024 AND 2023

Note 3 - LIQUIDITY AND AVAILABILITY (CONT'D)

For purposes of analyzing additional resources available to meet general expenditures over a 12-month period, the Seminary considers all expenditures related to its ongoing activities of teaching, research, general ministry, and public service, as well as all expenditures required to conduct services in support of those activities.

Note 4 - REVENUE FROM CONTRACTS WITH STUDENTS, ACCOUNTS RECEIVABLE, DEFERRED REVENUE AND STUDENT AID

In assessing collectability, the Seminary has elected the portfolio approach as a practical expedient to combine customers with similar characteristics. The Seminary determined that the effect of applying a portfolio approach to a group of contracts would not differ materially from considering each contract separately.

For the Seminary's revenue streams, the performance obligations are within contracts with durations of one year or less. Therefore, the optional exemption to not disclose remaining performance obligations was applied.

Tuition and related fees are recognized as revenue over time during the academic period in which the related academic services are rendered. The Seminary records tuition revenue at the standalone selling price, which most often reflects the published rates, less price concessions related to institutional financial discounts provided by the Seminary. If a student adjusts their course load or withdraws completely, a full or partial refund could be issued in accordance with the Seminary refund policy. Refunds issued reduce the amount of revenue recognized.

As the performance obligations are met (i.e. classes are instructed), revenue is recognized ratably based upon the allocated transaction price. Ratable recognition depicts the transfer of services as the student obtains the benefit of services throughout the semester or term.

The following tables disaggregates tuition and fees revenue by major portfolios, accounts receivable, deferred revenue, and student aid for the years ended July 31, 2024 and 2023:

Note 6 - FAIR VALUE MEASUREMENT

The fair value measurement topic of the FASB Accounting Standards Codification defines fair value, establishes a framework for measuring fair value under generally accepted accounting principles and enhances disclosures about fair value measurements. Fair value is defined under these standards as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

These standards establish a hierarchy of valuation inputs based on the extent to which the inputs are observable in the marketplace. Observable inputs reflect market data obtained from sources independent of the Seminary and unobservable inputs reflect the Seminary's own assumptions about how market participants would value an asset or liability based on the best information available. Valuation techniques used to measure fair value under these standards must maximize the use of observable inputs and minimize the use of unobservable inputs. The standard describes a fair value hierarchy based on three levels of inputs, of which the first two are considered observable and the last unobservable, that may be used to measure fair value.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONT'D.) FOR THE YEARS ENDED JULY 31, 2024 AND 2023

Note 6 - FAIR VALUE MEASUREMENT (CONT'D.)

The following describes the hierarchy of inputs used to measure fair value and the primary valuation methodologies used by the Seminary for financial instruments measured at fair value on a recurring basis. The three levels of inputs are as follows:

- Level 1 Quoted prices in active markets for identical assets or liabilities.
- Level 2 Inputs other than Level 1 that are observable, either directly or indirectly, such
 as quoted prices for similar assets or liabilities; quoted prices in markets that are not
 active; or other inputs that are observable or can be corroborated by observable market
 data for substantially the same term of the assets or liabilities.
- Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following tables present the financial instruments carried at fair value as of July 31, 2024 and 2023, by the codification valuation hierarchy defined above and those investments carried at cost:

Investments included in Level 3 primarily consist of the Seminary's ownership in alternative investments.

The methods used to provide values for the above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Seminary believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

The Seminary's investments are primarily held in equity securities, of which several are in an unrealized loss position. The Seminary has evaluated the near-term prospects of the issuers in relation to the severity and duration of the impairment. Based on that evaluation and the Seminary's intent and ability to hold these investments for a reasonable period of time sufficient for a forecasted recovery of fair value, management does not consider these investments to be other-than-temporarily impaired at July 31, 2024 and 2023.

Information pertaining to investments of individual securities with gross unrealized losses in a continuous loss position have been as follows:

Note 8 - FUNDS HELD IN TRUST BY OTHERS

Various Baptist foundations administer perpetual trusts for the benefit of the Seminary. These trusts are neither in the possession, nor under the control of the Seminary, but are held and administered by the foundations with the Seminary deriving only income from such funds. Such investments are recorded in the statements of financial position at the fair market value of the Seminary's percentage interest of the principal amounts as of July 31, 2024 and 2023, respectively. The principal amounts are not subject to withdrawal by the Seminary. The total amounts distributed by the trusts to the Seminary for the years ended July 31, 2024 and 2023 were \$192,901 and \$176,642, respectively.

Note 9 - NET ASSETS (CONT'D.)

Endowment consists of resources that have been restricted by the donor, trust, split interest agreements, or designated by the Board for investment to provide future resources to support the Seminary's activities. Endowment funds with donor restrictions that are temporary in nature include unappropriated gains. Endowment operating funds without donor restrictions include funds that have been internally designated for use by various departments and programs throughout the Seminary.

Net assets associated with endowment funds, including funds designated by the Board to function as endowments, are classified and reported based on the existence or absence of donor imposed restrictions.

The Board of the Seminary has interpreted the "Uniform Prudent Management of Institutional Funds Act" (UPMIFA) as requiring the preservation of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Seminary classifies amounts required to be maintained in perpetuity as, (a) the original value of gifts donated to the endowment that is perpetual in nature, (b) the original value of the subsequent gifts to the endowment that is perpetual in nature, and (c) accumulations to the endowment that is perpetual in nature made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not required to be maintained in perpetuity is classified as temporarily restricted net assets until those amounts are appropriated for expenditure in a manner consistent with the standard of prudence prescribed by UPMIFA.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Seminary to retain as a fund of perpetual duration. These deficiencies resulted from unfavorable market fluctuations that occurred shortly after the investment of new net assets with donor restrictions in perpetuity.

The Foundation Fund Balance, which is used by the Foundation Board for special projects for the Seminary, is included within the Endowment net assets disclosed above. The Foundation Fund Balance increased by \$257,251 and \$157,193, respectively, during the years ended July 31, 2024 and 2023, of which \$287,601 and \$215,163 was from investment income. The Foundation Fund Balance as of July 31, 2024 and 2023 was \$4,755,198 and \$4,497,0948 respectively.

During the years ended July 31, 2024 and 2023, the Seminary received gifts to be maintained in perpetuity for the endowment of \$4,532,494 and \$1,866,203, respectively.

Note 10 - RETIREMENT PROGRAM

The Seminary participates in the retirement program of Guidestone Financial Resources under which the Seminary contributes an amount equal to a percentage of each employee's annual salary. The Seminary's policy is to fund all 403(b) costs in the period earned by the employee. Total 403(b) expenditures for the years ended July 31, 2024 and 2023 were \$333,960 and \$325,377, respectively.

Note 11 - GIFTS

The Seminary receives a large portion of its operating revenues from gifts. A substantial portion of the gifts are received from the Cooperative Program of the Southern Baptist Convention. Cooperative Program gifts are recorded ratably over the year based on the annual budget allocation of the Convention. The Seminary received \$6,537,229 and \$6,645,463 from the SBC for the years ended July 31, 2024 and 2023, respectively.

See supplemental schedule for distributions of gifts by state.

Note 12 - RELATED-PARTY TRANSACTIONS

The Seminary's relationship with Providence Housing Corporation and Providence Educational Foundation is considered to be a related-party relationship. Both the Corporation and the Foundation have an economic interest in the Seminary in that the activities of the Corporation and the Foundation are solely for the benefit of the Seminary. However, the Seminary does not have a controlling financial interest in the two organizations. The organizations are self-sustaining with self-perpetuating Boards of Trustees. Consequently, neither the Corporation nor the Foundation has been consolidated with the Seminary. The terms of the activities are equivalent to those that prevail in arm's-length transactions. The following summarizes financial information related to the Seminary, the Corporation, and the Foundation.

Accounts Receivable/Payable

The Seminary has various accounts receivable/payable with Providence Housing Corporation and Providence Educational Foundation, which are related parties. Both the Corporation and the Foundation are operated for the benefit of the Seminary. As of July 31, 2024 and 2023, the following accounts receivable/payable existed:

Lease Agreements

Providence Housing Corporation

The Seminary leases all of the property of the Corporation, which consists of apartment and residential rental units, land and copiers. Under the terms of the lease, which is a year-to-year lease, the Seminary paid annual rentals of \$3,659,640 for 2024 and 2023.

Contracted Services

Providence Educational Foundation

The Foundation contracts with the Seminary to provide services for radio station and rental operations. These services include personnel costs, rent and other costs. The amount reimbursed to the Seminary for 2024 and 2023 totaled \$1,126,883 and \$1,069,087, respectively.

Other Support

The Seminary received \$200,000 and \$230,000 during the years ended July 31, 2024 and 2023, respectively, from Providence Educational Foundation for the general needs of the Seminary.

The Seminary received \$500,000 during the years ended July 31, 2024 and 2023, from Providence Housing Corporation.

Note 13 - RISKS AND UNCERTAINTIES

The Seminary invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect investment account balances included in the Seminary's consolidated financial statements.

Note 14 - CARES ACT

Employee Retention Credit

During the year ended July 31, 2023, the Seminary qualified for the Employee Retention Credit (ERC) under guidance set forth by the Coronavirus Aid, Relief, and Economic Security (CARES) Act and further amended by the Consolidated Appropriations Act (CAA) and the American Rescue Plan (ARP). The Employee Retention Credit is an IRS tax credit designed to help eligible entities retain their employees during the pandemic. The credit is calculated based on qualified wages paid to employees and taken against certain payroll taxes. The Seminary filed an amended employment tax form detailing total credits in the amount of \$832,500. Laws and regulations concerning government programs, including the Employee Retention Credit established by the Coronavirus Aid, Relief, and Economic Security (CARES) Act, are complex and subject to varying interpretations. Claims made under the CARES Act may also be subject to retroactive audit and review. There can be no assurance that regulatory authorities will not challenge the Seminary's claim to the ERC, and it is not possible to determine the impact (if any) this would have upon the Seminary. However, management is confident the credits will be received. As such, the remaining amount of the credits in the amount of \$832,500 are booked as a grant receivable within these financial statements.

Note 15 - GOVERNMENT GRANTS

As stated in note 1, The Seminary derives a portion of its revenue from Federal educational assistance received directly by the School. The below information is required by the U.S. Department of Education and is presented for purposes of additional analysis and is not a required part of the basic financial statements.

For the year ended July 31, 2024, the Seminary's cash basis calculation is:

Adjusted Student Federal Revenue + Adjusted Student Federal Revenue + Sum of Non-Federal Revenue and Revenue from Other Sources

\$290,624 2.366% \$12,282,506
