

## A Gift Anyone Can Make

God calls us to set our house in order. 2 Kings 20:1-2

Making plans to leave our assets to family, friends, and the ministries of God is important to our Heavenly Father. Therefore, we should pay attention to His instruction.

The first step in planned giving is to find someone you trust. As Foundation Board members, you have exclusive access to the Southern Baptist Foundation.

Warren Peek, President & CEO, and his team are such men and women whom you can trust. They are an invaluable asset to Foundation Board members. In fact, in the past three years alone, they have assisted multiple Foundation Board members in the planning and succession of planned gifts that were a benefit to their family members and the seminary alike.
