**Mission Statement**

The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

**Core Value Focus**

The seminary has five core values.

- 1. Doctrinal Integrity:** Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. This course addresses Doctrinal Integrity specifically by preparing students to grow in understanding and interpreting of the Bible.
- 2. Spiritual Vitality:** We are a worshipping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word. Spiritual Vitality is addressed by reminding students that a dynamic relationship with God is vital for effective ministry.
- 3. Mission Focus:** We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries. This course addresses Mission Focus by helping students understand the biblical foundations for fulfilling the Great Commission and the Great Commandments.
- 4. Characteristic Excellence:** What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ. Characteristic Excellence is addressed by preparing students to excel in their ability to interpret Scripture, which is foundational to effective ministry.
- 5. Servant Leadership:** We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us. Servant Leadership is modeled by classroom deportment.

The core value focus for this academic year is \_\_\_\_\_.

## **Curriculum Competencies**

NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following areas:

1. **Biblical Exposition:** to interpret and communicate the Bible accurately.
2. **Christian Theological Heritage:** To understand and interpret Christian theological heritage and Baptist polity for the church.
3. **Disciple Making:** To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.
4. **Interpersonal Skills:** To perform pastoral care effectively, with skills in communication and conflict management.
5. **Servant Leadership:** To serve churches effectively through team ministry.
6. **Spiritual and Character Formation:** To provide moral leadership by modeling and mentoring Christian character and devotion.
7. **Worship Leadership:** To facilitate worship effectively.

This course addresses the following competencies specifically: Disciple Making, Servant Leadership, Interpersonal Skills, and Spiritual and Character formation.

## **Course Description**

Under the supervision of the student's assigned chair, this required field-based mentorship is designed to address the student's mastery in educational and theological disciplines and capacity to engage in administration, teaching, and research in a praxis-oriented learning environment. The content and structure of the course will align with the student's vocational ministry leadership context. Students register for the course after submitting an approved letter of intent for their dissertation topic.

## **Student Learning Outcomes:**

After completing the required readings, attending all mentor meetings, participating in the Ministry Leadership meetings, performing appropriate tasks, and completing Four Mentor Meeting Reports, you should be able to:

- Demonstrate measureable improvement in skills associated with your ministry leadership position or role.
- Reference experiences and conversations with your mentor that outline steps toward professional development in your particular field of interest.
- Share examples and stories from your experiences and conversations with your mentor to illustrate how Christian professionals live out their vocations in all areas of life.
- Explain the role mentors play in shaping and sustaining a lifelong exploration of one's vocation by referencing specific ASP readings, lessons, or mentorship experiences.

## **Course Structure**

Meetings are structured around discussions of a supplemental mentorship text(s), student experience and supervisory observation. The professional mentor selects the texts, which may

include a textbook as well as selected readings from academic or professional journals. Personal reports and reflections will guide the individual meetings.

The first meeting between mentor and student is organized by ASP, scheduled to take place within the first few weeks of the semester. You will then be responsible for working with your mentor to schedule all additional meetings. Meetings may take place at any time, including early breakfasts or over evening meals. On average, meetings last two hours.
